

IN THE UNITED STATES DISTRICT COURT
FOR THE SOUTHERN DISTRICT OF FLORIDA

JOHN B. THOMPSON,

Plaintiff,

v.

Case No. 07-21256 (Judge Adalberto Jordan)

THE FLORIDA BAR and
DAVA J. TUNIS, JOHN HARKNESS,
AND FRANK ANGONES,

Defendants.

**PLAINTIFF'S MOTION FOR THE COURT TO TAKE JUDICIAL NOTICE OF
NEWS DEVELOPMENT RE SLAPP BAR COMPLAINANT**

COMES NOW petitioner, John B. Thompson, moves this court to take judicial notice of the attached proof of SLAPP Bar complainant's latest fraudulent activity. This is the company that corrupt Florida Bar is relying upon to try to end, illegally, Thompson's career.

The corrupt judge in Alabama, James Moore, took this company's word over the undersigned's. The Judge himself became part of the fraud. The Florida Bar, knowing of this company's and its law firm's history in such matters, *knowingly* took the word of prevaricators it knew were lying. This is bad faith by The Bar, unless this court believes that taking the word of proven liars is good faith regulatory acumen. The attached is the latest proof of how deceitful these Bar complainants are. This is further proof Judge Moore thought it "unprofessional" that Thompson would point out the lies of Take-Two and Blank Rome. The only mistake Thompson made was in not going far enough.

This was also the company that the irascible, Third DCA-disgraced judge, Ron Friedman took the word of, as they lied to him in a bizarre in-chambers charade.

Someone once said “You can judge a man by the character of his enemies.” By that standard, Thompson should be made President of The Florida Bar ;).

I hereby certify that the foregoing has been provided to opposing counsel through the court’s obscenity-free electronic filing system, this November 2, 2007.
