

IN THE UNITED STATES DISTRICT COURT
FOR THE SOUTHERN DISTRICT OF FLORIDA

JOHN B. THOMPSON,

Plaintiff,

v.

Case No. 07-21256 (Judge Adalberto Jordan)

THE FLORIDA BAR and
DAVA J. TUNIS, JOHN HARKNESS,
AND FRANK ANGONES,

Defendants.

**PLAINTIFF'S MOTION FOR THE COURT TO TAKE JUDICIAL NOTICE OF
MORE HARASSMENT BY A SLAPP BAR COMPLAINANT AND VIDEO
GAME INDUSTRY RETAILERS**

COMES NOW petitioner, John B. Thompson, moves this court to take judicial notice of the following:

One of the individuals who filed a SLAPP Bar complaint against plaintiff is a "journalist" by the name of Dennis McCauley, who runs his www.gamepolitics.com. GamePolitics is a part of the ECA, which represents major video game retailers.

This site is knowingly posting thereat alleged communications from the undersigned, which are not from him but appear to be, such as:

Ignorant fools. Rockstar has lied to America again just as they did with Grand Theft Auto San Andreas. I'm just waiting for someone to kill someone because of this game, and I'll be all over that case. You just wait. The ESRB is a

broken system and Rockstar and the ESRB care more about training an army of killers than protecting our society from these potheads.

You haterz can suck me!

This type of knowing harassment of the undersigned by the video game industry and its GamePolitics site even includes SLAPP Bar complainant Norm Kent, who has been invited by this same site to lie about The Florida Bar's "discipline" of Thompson at the GamePolitics site. If this court can't figure out what is going on here, that there is a collegial effort by Thompson's opponents, including The Bar, to wear him down, harass him, and even pretend that they are Thompson in publishing hurtful, indecent remarks, then this court needs to arouse itself to awareness thereof. Thompson grows weary of this court's angst about "the children" when it tolerates The Bar's criminal harassment of man who is trying to protect them.

I hereby certify that the foregoing has been provided to opposing counsel through the court's obscenity-free electronic filing system, this November 2, 2007.
