

IN THE UNITED STATES DISTRICT COURT
FOR THE SOUTHERN DISTRICT OF FLORIDA

JOHN B. THOMPSON,

Plaintiff,

v. .

Case No. 07-21256 (Judge Adalberto Jordan)

THE FLORIDA BAR and
DAVA J. TUNIS,

Defendants.

PLAINTIFF'S NOTICE TO CLERK OF COURT

COMES NOW plaintiff, John B. Thompson, hereinafter Thompson, on his own behalf, and provides notice to the clerk of this court as follows:

The Honorable Adalberto Jordan has had a motion before him for two months in this matter. It clearly must be granted, as the Florida Supreme Court and The Florida Bar have fraudulently represented that they had the legal authority to deny Thompson his right to represent himself before the state supreme court. This false, fraudulent assertion was used to secure federal abstention from Judge Jordan.

Judge Jordan's nonfeasance as to this motion is to be explained by one of two things: Judge Jordan has either met an untimely demise, or he is violating the federal honest services statute in refusing to rule.

The clerk is urged to take a peek into Judge Jordan's chambers to see if anyone looking like Judge Jordan is still alive in there. He's the one on the left:

If no one is moving around in there, call the US Marshal's Office.

If there is a judge in there who looks like the gentleman on the left, please alert Chief Judge Moreno that unlike the Fighting Irish football team which does so nearly every possession, Judge Jordan is not allowed to punt, even when doing so serves the fraudulent purposes of The Florida Bar. Justice delayed is justice denied. A judge who will not acknowledge he was lied to and hoodwinked is not a judge. He's a tool of injustice.

I HEREBY CERTIFY that this has been served upon record counsel for The Florida Bar and Dava Tunis this March 12, 2010.

A handwritten signature in black ink that reads "John B. Thompson". The signature is written in a cursive, flowing style.
