**DEFENDANT, ANDREW L. SCHMIDT'S ANSWERS TO PLAINTIFFS'
JANUARY 26, 2011 INTERROGATORIES**

1. With regard to the email attached hereto as Exhibit "1," identify the individual sending said email and each and every recipient, setting forth the name, address and phone number for each next to their email address.

ANSWER: Objection. This Interrogatory seeks information about a previous hike to the hike at issue in this litigation. The previous hike is irrelevant to the subject hike. The information is neither relevant or material to the allegations of May 9, 2009. Objection is made on the grounds that it is overbroad. There is no predicate that Michael Adelman participated in this hike. Therefore it is immaterial to the Complaint. Further objection is made on the grounds that the Interrogatory seeks for Defendant Schmidt to breach the confidentiality of the recipients by disclosing the information requested. The recipients of this e-mail have not authorized such a disclosure to the Defendant nor is the Defendant going to breach the privacy rights of the recipients of the e-mail. Such persons are not litigants to this litigation. Objection is made on the grounds of privacy confidentiality, being overbroad, not calculated to lead to admissible discovery, burdensome and oppressive to families and/or minors who are Scouts.

Subj: Troop Hike on saturday
Date: 4/16/2009 6:05:36 P.M. Eastern Daylight Time

Reminder

For those wishing to hike on Saturday.
We will meet at the church at 1:00 on Saturday. We will leave promptly at 1:15. It is an hour drive to the hiking location- Shark Valley on the northern edge of Everglades National Park. this is a paved road, shared with the park tram, bikes and alligators!
Since you will have eaten lunch and we will return in time for a late dinner just bring WATER (at least 2 bottles) and a snack. There is a 5 story observation tower at the 1/2 way point. Dress appropriately and bring a day pack with poncho, sunscreen, optional camera. Wear a hat! I don't believe the mosquitos have started there yet. We should return around 7:30 or 8:00, depending on our pace and length of our break.
See you Saturday. This will be a memorable hike!!
Andy Schmidt, Howard Crompton & Doug Beals
