1 upon how far you're going there's a certain amount of  
2 requirement for water.

3 Q. What is your understanding about how long  
4 a break you're supposed to take every hour?

5 MR. LEVIN: Form.

6 A. That I don't know. I don't know the  
7 specifics of that. I would have to refer to the  
8 manual.

9 Q. Did you know the specifics back at the time  
10 you were having this discussion with them?

11 A. I reviewed the manual, yes.

12 Q. Did you do anything else other than review  
13 the manual?

14 A. Well, I asked them questions related to it  
15 and they were both very experienced scout leaders.  
16 They've done this -- they did it many, many times and  
17 they were trained leaders.

18 The troop was a very good troop, and so  
19 they've done this -- the hike -- many times with  
20 other scouts.

21 Q. When you say they were trained leaders,  
22 they were trained according to the procedures of the  
23 Boy Scouts of America?

24 A. My understanding is they were merit badge  
25 counselors who did that specific merit badge, and

1 that's why they were doing the merit badge.

2 Q. Was it your understanding that they had  
3 been through the training established by the Boy  
4 Scouts of America for being merit badge counselors  
5 and scoutmasters?

6 MR. LEVIN: Form.

7 MR. SUMMERS: Objection to form.

8 A. My understanding is that the leadership was  
9 trained, correct.

10 Q. Other than -- which manual was it that you  
11 reviewed in preparation for this meeting with them?

12 MR. LEVIN: Form.

13 A. The merit badge counselor pamphlet.

14 Q. Did you review any other types of manuals  
15 or materials in preparation for your meeting with the  
16 two scoutmasters?

17 A. No. That was the primary one.

18 Q. At any time did you review the statements  
19 that the scoutmasters gave to either the Collier  
20 County Sheriff's Department or the parks service?

21 MR. LEVIN: Form.

22 A. No.

23 Q. And I believe you said you never saw the  
24 parks service report?

25 A. That's correct.
