PAPER FILE**

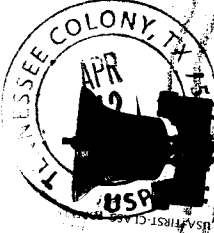

I recieved a card concerning A lawsuit against JP Morgan Chase & Co (Case No 10-cv-23235 (S.D. Fla.))
I personally have no desire to help someone get rich off someone else, so what if, if at all, I was cheated, theres no need to cry over spilled milk, And I personally do not feel they are entitled to anything, At the time we all used our cards, we all paid our bills, (some didnt) I personally paid mine off, cut it up, and stopped using credit cards, All together except for one, And it has been a blessing. So I say "NO" dont give this person a thing monetary wise. Most who file lawsuits are out for an easy ride - Now if they have a bodily injury or were permentally messed up for life from something you get a medical lawsuit file. Remove from the List Thank You
