Dear Sir:

I demand to be excluded from the above reference case. I have NEVER given you or anyone else permission to be a Plaintiff in any Class-Action Suit.

I am a single individual, not a company. My account with Chase was for my use only and cannot make any difference to your pending Suit. Serious and continuing personal and family illnesses, 24/7, have consumed all my time during the past few years and have prevented me from acting in any timely manner in the Suit.

I will gladly give up my compensation to the Suit. The Suit could make me a VICTIM.

I demand that you remove my name from this Suit and any other Class-Action Suit without getting my written release. I am unable to continually write letters like this for unless reasons so you can make money for yourself.

Again EXCLUDE ME! EXCLUDE ME!! EXCLUDE ME from this and all other Class-Action Suits.

Sincerely,

Sidney L. Creamer .
