To Whom it May Concern,

I am writing this letter to object the Chase class action suit, case no. 10-cv-23235. Chase has been wonderful to me since I was unemployed. The Payment protection plan I enrolled and paid for, worked for me as Chase held off my payments and interest for almost a year while I was unemployed. I think it would be a great injustice to Chase to be sued for trying to help people. For the few that had issues with receiving their benefits, I am sure it was due to the fact that they did not follow the instructions properly when filing for their benefits. It would be a shame to lose these benefits because people don't hold themselves accountable for their own mistakes.

Sincerely,

Billi Carwile-Campanella
