US District Court for the Southern District of Florida
400 North Miami Avenue
Miami, FL 33128

10 CV 23235

To Whom It May Concern:

I received notice of a class action settlement involving Chase Credit. I am requesting to be excluded from the settlement as I was never enrolled in any payment protection product, nor was I charged for any such product.

I am enclosing the postcard I received for identification purposes.

Thank you
