Dear Sirs,

As you can see, I have a new address. Please take note of it. Yes, I believe I am eligible for the class action suit against Capitol One. I had a card at that time, and I ran into some problems paying my whole balance. They were not very cooperative, and cancelled my card, rather than let me make payments on it as I went along.

Let me know if I can provide you with any additional information, although I don't believe I have any record of my card number. It was awhile ago. Thank you for your kind consideration.

Sincerely,

A handwritten signature in cursive script that reads "Glenda L. Taylor".

Glenda L. Taylor
