

UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF FLORIDA

DAVID KARDONICK, et al.,

Case No. 10-cv-23235 / HOEVELER

Plaintiffs,

CLASS ACTION

vs.

OPPOSITION TO MOTION FOR
APPEAL BOND

JPMORGAN CHASE & CO.,
et al.,

Defendants.

As an Objector and Appellant in the above-entitled action, I hereby oppose the Motion for Appeal Bond. I am not a “professional objector,” nor am I seeking to extort money from any of the parties. I simply believe that the settlement is inadequate to compensate the many millions of Chase cardholders throughout the country whose cards the Defendants surreptitiously charged for the Payment Protector program without the cardholders’ knowledge or approval or without their understanding what the program was about. I do not believe that this issue was even addressed in the case or the settlement even though all claims were released. Finally, I cannot afford to pay for an appeals bond.
