ORDER

THIS CAUSE came before the Court on Apple Inc.'s Motion to Compel Responses to Interrogatories Regarding Set-Top Box Patents (Nos. 19-22) (D.E. 224) filed on January 31, 2012. Upon review of this motion, the response and reply thereto, the court file and applicable law, it is hereby

ORDERED AND ADJUDGED that Apple Inc.'s Motion to Compel Responses to Interrogatories Regarding Set-Top Box Patents (Nos. 19-22) is GRANTED to the extent that Motorola shall supplement its answers to these interrogatories by providing all non-privileged information limited to its STBs identified in its infringement contentions and

limited to cable providers that provide Motorola accused STBs to end users. In so ruling, the Court finds that these interrogatories seek relevant information but are overly broad. Accordingly, Motorola shall provide its supplemental responses to these interrogatories as so narrowed within ten (10) days of the date of this Order.

DONE AND ORDERED in Chambers, at Miami, Florida this 24th day of February, 2012.

Ted E. Bandstra
United States Magistrate Judge

Copies furnished to:
Honorable Robert N. Scola
Counsel of record
