Subject: Apple/Motorola (FL): individual depositions
Attachments: 2011-11-16 Ltr. from J. Ho to B. Quarmby re 30(b)(6) depos.pdf

Hi Marshall / David,

I write to follow up on this question from my November 16, 2011 letter to your former colleague, Ben Quarmby. Please let me know whether Motorola intends to call to trial any of the following witnesses listed in its initial disclosures: Kirk Dailey, Chris Collins, Peter Prunuske, Marjorie Silha, Steven Fischer, David Briggs, Jeanette Orlen, Gregory Schladt, Paul Martinson, Warren Fernandez, Jim Conroy, Amy Verbeke, Gunjan Shah, Sandy Baek, Jaime Wheeler, Allison Yi, Jeff Snow, Lawrence Robinson, John Kamieniecki, Richard Rementilla, Robert Simons, and John Tracy. If so, please provide deposition dates for those witnesses immediately.

In addition, it appears that Chuck Supinski, Joe Murray, Mike DiFiglia, Lou Fodor, Nathan Mengel, and Scott Sellers may have knowledge regarding Motorola's testing of IPGs/EPGs on its set-top boxes. Please let me know if these individuals are still employed by Motorola and, if not, whether Quinn represents them.

Thanks,
Jill
