JOINT MOTION FOR EXTENSION OF DEADLINE TO SELECT A MEDIATOR

Pursuant to the Court's Order of Referral to Mediation (D.I. 46), Motorola Mobility, Inc., Motorola, Inc., and Apple Inc. jointly seek leave of the Court to defer selection of a mediator for 45 days.

As the Court is aware, in addition to the above-captioned litigation, the parties are presently litigating their disputes in other district courts and in the United States International Trade Commission. The parties are actively engaged in global settlement-oriented discussions in an effort to resolve all pending litigation between them. Although no settlement has been reached or appears imminent, the parties plan to

continue those discussions. In light of these circumstances, the parties jointly move for a 45-day extension of the deadline for selecting a mediator (to April 1, 2011). During that time, the parties will continue their efforts toward settlement, and will also discuss and select a mediator if those efforts are not successful.

The status of the settlement-oriented discussions between the parties is highly confidential, and the parties therefore are filing this joint motion under seal – as they have done for joint settlement reports filed in other venues.
