S02 DVDRip XviD- FFNDVD-SAiNTS

Posted on 10.10.2010 at 05:55 in [TV Packs](#), [TV Shows](#) by [Will](#)

Looks like not many of you are a fan of this show, but for those who like it, tonight I have the DVDRip PACK of the complete second seasons for you. This pack was released by group FFNDVD and SAiNTS. It includes the complete 22 episodes plus a EXTRA gag reel. Check it out!

Sometimes it seems as if the world is crashing in on itself. It's the job of the first responders to hold it together. Police, firefighters, paramedics: The men and women of the 3-11 PM shift called third watch are ready to serve in situations ranging from small (attending to a frequent 9-1-1 dialer) to playful (a football match between fire departments) to harrowingly large and complex (tracking an elusive sniper who targets cops). The original team of heroes returns and an FDNY newcomer joins them in a 22-episode Season Two that combines the rigors of duty with compelling vignettes of life away from work. What kind of person defies a gun-wielding madman or rushes into a burning building? This kind – the people of Third Watch.

Thanks Will.

Remember these have been around quite a while; plus the first pack is DivX, which scares people off. I was skeptical, but the quality is pretty good.

Thanks for these Will. I'm so pleased to see some quality XVID versions of the second series of this awesome show. It's not available on DVD where I live, so until it is this will do wonderfully.

Cheers!

DerStürmer

October 11th, 2010 | [19:15](#)

Thanks. Good show.

Randall

October 18th, 2010 | [12:16](#)

Thank you very much for this!! One of my favorite show and sadly I couldn't find the dvds.

Please please upload season 3-6 too  :D Also thanks for the hotfile links, people!

yea
October 26th, 2010 | [21:00](#)

megashares please

A banner advertisement for PC performance optimization. It features a speedometer graphic on the left with the text "Speed Up Your PC NOW!". To the right, it says "Your Current PC Performance..." above a green progress bar and a red "SLOW" warning with a triangle icon. A green "Repair Now" button is on the far right.
