Dear Steve, March 14 does not work for a conference. As you know, my clients have to retain new lead counsel. We will be seeking a 30 day extension of time to serve a pleading, motion or other paper in response to the Complaint. Please let me know by 10 am tomorrow EST if Plaintiffs agree to such a request so that we can include your position in our motion to extend time. Thanks, Janet

Steve, my client is traveling today and unavailable. I need to confer with him prior to responding to you. I anticipate I will be able to do that to

tomorrow. Thanks, Janet

Janet – As you requested, we decoupled your request for a 10-day extension from our request for a Rule 26(f) conference. Per my email the other day, we have consented to a 10-day extension. We would now like to request of you that we schedule our Rule 26(f) conference as soon as possible

following defendants' filing of their response. Accordingly, we would request that we schedule the conference for Monday, March 14<sup>th</sup>. Please confirm as soon as you can whether this date will work. Thank you.
