Hotfile: Account Termination

Just got an E-mail from Hotfile :

Your account has been terminated due to repeated copyright infringement violations.

doesn't Hotfile just rocks ?
why does all of you still using HF ?
its the worst host ever !
Mods please leave it open , i wanna see why someguys still using HF .

and please , don't say you should have changed the md5
coz i DID !

so you ask why does any1 use hotfile...
why did u use it until your account got terminated?
i guess all others will stop when they get same mail as you...

so you got enlightened, good for you...

You're an idiot for making this thread the way you phrased everything. Read the damn TOS first. Find a file host (large and facing lawsuits at the moment) that would not do this with all the pressure they are facing. Do you think they would risk closing to satisfy your needs? Open a new account and refrain for clicking New Thread.
