Dear Sir/Madam

We are writing regarding the claim we asserted against the following file:

http://hotfile.com/dl/115379401/78283d5/Orkidea_-_Radio_Unity_028_on_AH.FM_20-04-2011.mp3.zip.html

Despite our earlier good faith belief, we have become aware that this file was removed in error and they are not in fact infringing our member or represented company's rights:

We would therefore like to withdraw our claim in relation to these files.

Yours faithfully
IFPI

RE: Mistaken Removal

Dear Constantin Luchain;

Please find attached to this letter a list of material removed by you pursuant to 17 U.S.C. Section 512. I have a good faith belief that this material was removed or disabled in error as a result of mistake or misidentification of the material. I declare that this is true and accurate under penalty of perjury under the laws of the United States of America.

For the purposes of this matter, I consent to the jurisdiction of the Federal District Court for the judicial district in which the service provider may be found. I also consent to service of process by the person providing notification under Section 512(c)(1)(C) or that person's agent. However, by this letter, I do not waive any other rights, including the ability to pursue an action for the removal or disabling of access to this material, if wrongful.

Having complied with the requirements of Section 512(g)(3), I remind you that you must now replace the blocked or removed material and cease disabling access to it within fourteen business days of your receipt of this notice. Please notify me when this has been done.

I appreciate your prompt attention to this matter. If you have any questions about this notice, please do not hesitate to contact me.

Sincerely,

dan k (AH.FM)
