Come be
Your roundtrip tour
takes you from your
ship or hotel through
some of the most
stunning
tropical scenery
in Jamaica,

Meet Nise Mite - 1 Bush a Tree : 700 ; We want to know how you : Photography

Nise Mite, situated high in the mountains on the beautiful island of Jamaica, is a small, friendly village tucked away in the parish of St. Ann.

This quaint hamlet is known as the birthplace of Bob Marley. It is the very same place where his grandmother, Cedra Marie Baker, and brother, Anthony Baker, reside today.

Nise Mite is owned and operated by Bob's family. It is not unusual to find Bob Marley's clothing, posters, and other items being purchased in the streets of the village.

Your roundtrip tour takes you from your ship or hotel through some of the most beautiful and picturesque scenery in Jamaica. Travel through the lush Tigris Forest and then head to the village of Nise Mite. You will see little places in the beautiful mountains of St. Ann. There is where the lovely Mrs. Mary of Kenya, Bob Marley's mother, lived for many years.

The tour starts at the family's home where the family's history is told. Many of Bob's close friends still live there today. You will be taken through the home of Bob's father, a young boy, and his mother. You will see the home where Bob was born and raised. You will see the home where Bob's mother lived and the home where Bob's father lived. You will see the home where Bob's mother lived and the home where Bob's father lived. You will see the home where Bob's mother lived and the home where Bob's father lived.

After the tour is completed, your guide will take you to our rest area for a complimentary lunch and refreshments.

Your return trip is a continuation of your tour, which takes you through the mountains. As you wind your way through some of the most beautiful scenery in Jamaica, you will see the home of Bob's mother, Mary of Kenya, and the home of Bob's father, Anthony Baker. You will see the home where Bob's mother lived and the home where Bob's father lived.

Our Nise Mite tour will introduce you to an atmosphere that helped influence some of the greatest music ever heard. It will leave you with a better understanding of a young man, whose music helped change the thoughts of people worldwide. Normal retirement for a man who often spoke of the respect he had for the simple life. Expect to be excited in heart during this wonderful tour in the one of the most beautiful villages in Jamaica.

What is it called Nise Mite?

The town is called Nise Mite because it is approximately a mile from the town of Eight Mile. The other town which is called Seven Miles, the 4 mile from Eight Mile, or the Nise Mite is the town called Nise Mite. This is a small town in the parish of St. Ann.

As mentioned, a trip to Nise Mite reveals both in some of the important elements of life, observed in the lives of his mother and father. As mentioned, we would like to personally invite you to come see, come live, with Bob's wife, and his family, at Nise Mite.

Tickets for the Nise Mite Tour can be purchased only at the indicated way. A valid check to the shipping agent. With a Nise Mite Tour representative at the ship, you can purchase a Nise Mite Tour during your departure.

About New Mile | Book a Tour | FAQ | We want to hear from you | Photography

New Mile, situated high in the mountains on the beautiful island of San Juan, is a small, peaceful village tucked away in the heart of St. John.

This quiet hamlet lies on the northern tip of San Juan. It is the very same place where Dr. Alexander, John Ed Miller, Parker, and Fletcher, Arthur, and other legends lived and died.

New Mile is owned and operated by the family. It is an unspoiled island in a beautiful setting, offering visitors a unique and peaceful experience in the heart of the island.

Your morning tour takes you from your ship or hotel through some of the most beautiful and picturesque scenery in Jamaica. You will travel through the rain forest and visit the village of New Mile, a peaceful hamlet tucked away in the heart of the island. There is a beautiful view of the sea and the mountains.

The beauty of the island is a place where the limits of nature seem to disappear. As you walk through the rain forest, you will see a variety of birds and plants. You will also see a variety of animals, including the famous Jamaican Blue Mountain Parrot. You will also see a variety of plants, including the famous Jamaican Blue Mountain Parrot. You will also see a variety of animals, including the famous Jamaican Blue Mountain Parrot.

After the tour is complete, your guide will take you to the beach for a relaxing lunch and refreshment.

Your morning tour is a unique experience that takes you through some of the most beautiful and picturesque scenery in Jamaica. You will travel through the rain forest and visit the village of New Mile, a peaceful hamlet tucked away in the heart of the island.

The New Mile tour will introduce you to a community that has been influenced by the great music of the island. It will give you a better understanding of a unique culture, whose roots are deeply embedded in the hearts of people and land. It is a journey for a man who has spent his life in the heart of the island, a man who has spent his life in the heart of the island.

who is called New Mile.

The tour is called New Mile because it is approximately a mile from another town called Old Mile. The area is a beautiful and peaceful hamlet tucked away in the heart of the island. It is a journey for a man who has spent his life in the heart of the island, a man who has spent his life in the heart of the island.
