Kenia,

Hello. Twice now I've noticed your client for deposition. Both times your client failed to show. On neither occasion did your client move for a protective order, nor did you reach out to propose alternative dates for your client's deposition (as I invited you to do when I noticed the depositions initially).

Please get back to me by no later than September 25, 2014 with a date certain in October for your client's deposition. If I do not hear from you by the 25th, I'll have no choice but to file a Rule 37 motion. I trust it won't come to that.

Regards,

Sean
