Re: Matthew Spector

To whom it may concern:

This letter is to inform you that the above captioned patient underwent a mastoidectomy/tympanoplasty on January 27, 2005. The recuperation for this surgery is four weeks with the need for the patient to be on postoperative pain medications for two weeks after the surgery. If you should have any questions, please do not hesitate to call my office.

Thank you,

Bradford D. Ress, M.D.
