ADONAY NOLASCO ARGUETA
DEFENDANT**

HONORABLE JAMES LAWRENCE KING

HONORABLE JUDGE KING,

Most respectfully I would like to state that on 21st day of April 2004, an order signed by your Honor, referring the above captioned case to Magistrate Patrick A. White for the Motion on return of the registered funds of \$35,353 U.S. currency which was seized on April 17th. 2002. from the U.S. and forfeited to the Government on March. 13. 2003. But it has not been done yet. Honorable, as you all have seen the evidence I presented to show that I am a legit business man and was transferring money legally to its rightful owners, who are still waiting and demanding the money from me. But because of this charge I have been picked up by the Immigration and Customs Enforcement (ICE) and am being held in deportation proceedings.

Honorable, the principal of the matter is that it was a legit transaction and I was in the business of transferring money for people, as the record shows, then why it is taking so long to get my money, which I have to send to its rightful owners.

WHEREFORE, HONORABLE KING, I humbly request and Pray that you will order the Government to return my money immediately at the following address, so I can send it to its rightful owners in the interest of Justice.

THANKING YOU SINCERELY,
