OBJECTIONS TO GUIDELINE CALCULATIONS
IN PRE-SENTENCE INVESTIGATION REPORT

The Defendant, **HAROLD JOHNSON**, through counsel, respectfully objects to the following portions of the Pre-Sentence Investigation Report (hereinafter "PSI"), and would state as follows:

1. On page 13, paragraph 55, it is recommended that Defendant receive a three-level enhancement for managerial role pursuant to U.S.S.G., Section 3B1.1(b). The evidence in the case clearly indicates that this Defendant would pick up or deliver cocaine principally based on instructions from either Co-defendant Lawton or Hampton. In those instances when he was supplying cocaine to the conspiracy, he was not exercising managerial or supervisory control over anyone.

THEREFORE, the Defendant objects to the managerial role enhancement.
