**ORDER ON THE RECOMMENDATION
OF THE UNITED STATES MAGISTRATE JUDGE**

Before the Court is the Recommendation of the United States Magistrate Judge [Doc. 76] to deny *pro se* Plaintiff Wayne Redding’s Motions for Preliminary Injunction [Docs. 42, 59, & 66] and supplemental Motions for Preliminary Injunction [Docs. 67 & 71] relating to his original claims under both 42 U.S.C. § 1983 and Title II of the Americans with Disabilities Act, 42 U.S.C. § 12132. In the Recommendation, the Magistrate Judge found that Plaintiff’s Motions fail to satisfy the prerequisites for the issuance of a preliminary injunction. As of December 20, 2012, the date of the Recommendation, Plaintiff has filed twenty-four motions, notices, and briefs. After carefully reviewing and liberally construing those filings, the Court concludes Plaintiff has not filed an Objection to the Recommendation.

Having considered the Recommendation, the Court agrees with the findings and conclusions of the United States Magistrate Judge. The Recommendation of the Magistrate Judge [Doc. 76] is therefore **ADOPTED** and **MADE THE ORDER OF THE COURT**. Plaintiff's Motions for Preliminary Injunction [Docs. 42, 59, & 66] and his supplemental Motions for Preliminary Injunction [Docs. 67 & 71] are **DENIED**.

SO ORDERED, this 4th day of February, 2013.
