

Valdosta State Prison (“VSP”); (2) VSP Cert Team Member Hollis; (3) Dr. Lebedovych; and (4) VSP Deputy Warden Ted Philbin. Plaintiff’s complaint is unclear. As best as this Court can determine, plaintiff complains about certain incidents that occurred while plaintiff was confined at VSP. In particular, plaintiff alleges that Hollis “drew his stick” on plaintiff and “locked [him] in medical; that Dr. Lebedovych placed plaintiff on unspecified injections; and that Philbin “took [plaintiff] to a hearing to keep [plaintiff] on forced meds.” Plaintiff’s claim against Barrow is simply indecipherable.

## ***II. ORDER TO SUPPLEMENT***

Upon review of plaintiff’s complaint, the Court finds that additional information is needed before a proper evaluation of his claims can be made. Accordingly, plaintiff is instructed to supplement his complaint to answer the following:

- (1) During what time period were you confined at VSP?
- (2) When did each of the incidents of which you complain occur?
- (3) What happened when Hollis “drew his stick” and “locked” you in medical? Did you suffer any injuries as a result of Hollis’ actions? If so, describe each injury.
- (4) Describe in detail the medication Dr. Lebedovych placed you on and the circumstances surrounding his decision to do so. How were you harmed by this medication?
- (5) How did Philbin’s taking you to a hearing on whether you should receive forced medication amount to a violation of your constitutional rights?

(6) Explain clearly and in detail what Warden Barrow did to violate your constitutional rights.

Plaintiff is hereby given thirty (30) days from receipt of this order to submit a supplement to his complaint, limited to these claims only. No other claims will be considered. If plaintiff fails to respond to this order in a timely manner, this action shall be dismissed. There shall be no service of process until further order of the Court.

**SO ORDERED**, this 27<sup>th</sup> day of September, 2006.
