

pass test is considered to be difficult to pass.

The amended complaint fails to state a claim. As a result it must be dismissed pursuant to 28 U.S.C. § 1915(e)(2).

## II. § 1915 SCREENING STANDARD

The decision to dismiss a complaint for failure to state a claim under § 1915(e)(2) is the same as is employed when ruling on a Rule 12(b)(6) motion to dismiss. Mitchell v. Farcass, 112 F.3d 1483, 1490 (11th Cir. 1997). A complaint is subject to dismissal if it does not contain enough factual allegations to “raise a right to relief above the speculative level.” Bell Atlantic Corp. v. Twombly, 550 U.S. 544, 555, 127 S.Ct. 1955, 167 L.Ed.2d 929 (quoting Conley v. Gibson, 355 U.S. 41, 47, 78 S.Ct. 99, 2 L.Ed.2d 80 (1957)) (alteration in original). It must be kept in mind that a document filed *pro se* is to be liberally construed, and a *pro se* complaint, however inartfully pleaded, must be held to less stringent standards than formal pleadings drafted by lawyers. Erickson v. Pardus, 551 U.S. 89, 94, 127 S.Ct. 2197, 2200, 167 L.Ed.2d 1081 (2007).

Bradshaw’s complaints are unintelligible, even when construed liberally. There are two sentences that describe discrimination regarding a test. There are no factual allegations that form the basis of his complaint, there is no description of any legal theory, and no allegation against any particular Defendant. Accordingly, his complaints do not raise a right to relief above the speculative level and must be dismissed with prejudice.

The case is closed. The pending motion for recusal (Doc. 6) is denied as moot.

The Clerk of Court is directed to mail a copy of this Order to Bradshaw at the address provided by Bradshaw. The Clerk of Court is also directed to make an entry on the record showing when this Order was mailed to Bradshaw.

**SO ORDERED**, this the 2<sup>nd</sup> day of May, 2011.

***s/ Hugh Lawson***  
**HUGH LAWSON, SENIOR JUDGE**
