PLAINTIFF'S MOTION TO EXCEED PAGE LIMITATION

COMES NOW Jonathan Cobb, Plaintiff, and, pursuant to Local Rule 7.1D, respectfully moves the Court for leave to exceed the page limitation of 25 pages respecting his *Memorandum Of Points And Authorities In Support Of Plaintiff's Motion To Compel Discovery From Defendant Google, Inc.*, filed with the Court on September 18, 2008.

Plaintiff tried diligently to meet the page limitation specified in the Local Rules, employed page pagination techniques aimed at maximizing the content presented on each page, and sought to keep his argumentation as succinct as possible. Still, because a large number of Initial Disclosures,

Interrogatories and Requests For Production are addressed within the body of Plaintiff's Memorandum, and because Plaintiff also sought to convenience the Court by presenting the affected discovery requests within the body of his Memorandum, going beyond the page limitation became unavoidable.

As filed, the Memorandum contains 36 pages of factual and legal presentation, exclusive of attorney signatures. Plaintiff respectfully requests leave to have his Memorandum exceed the page limitation as described herein.

WHEREFORE, Jonathan Cobb, Plaintiff, respectfully requests that his Motion To Exceed Page Limitation be GRANTED.

Respectfully submitted,

/s/ Michael Alan Dailey
