## Welcome to Criterion Pictures

(Last Updated - May 27, 2010)

Criterion Pictures is the nation's leading and largest rental distribution and licensing non-theatrical distributor of feature entertainment movies licensed for public performance in Canada.

It is our goal to provide top quality feature films quickly and cost-effectively to the Canadian non-theatrical market. With over 25 years of experience we can proudly offer our customers superior customer service and an outstanding selection of Hollywood's greatest films. The staff at Criterion Pictures recognizes that your success is ultimately ours.

## News....

**Book This Documentary Today!**

John Hughes' films defined a generation. His characters became icons. His work inspired...everyone.

In 1991, filmmaker John Hughes disappeared from Hollywood. In 2008, four filmmakers went to find him. This is their story.
