Show copyrighted movies in your school or library - legally!

Movie Licensing USA® provides Public Performance Site Licensing to K-12 schools and public libraries on behalf of the major Hollywood motion picture studios. In addition to providing peace of mind, this license ensures that entertainment movies are used legally in these public venues.

Movie Licensing USA is a division of Swank Motion Pictures, Inc. and has served as the non-theatrical distributor of motion picture entertainment for over 70 years.

If you are not a K-12 school or public library, please visit www.swank.com for more information on obtaining a public performance license.
