**Subject:** Copyright policy workshop

Each of you has asked about future dates of the USG copyright policy workshop. I am meeting with a faculty member today at 1 pm to discuss the policy (basically do the training on a more intimate basis), and you are each more than welcome to come (again, this is late notice, but I had a meeting canceled this afternoon). I am trying to schedule another university-wide training for May 12-15 as well. Are there any particularly good/bad days for you? If so, let me know and I'll try to schedule around them so you can come.

If you have any specific questions, please CALL (not email) my office, and I'll try to answer them or return your call as soon as I can.

For those who need the link to the new policy and associated web pages, it is [www.usg.edu/copyright](http://www.usg.edu/copyright) .

Thanks.  
Cynthia
