**ANNCR VO:** If you wanna know why your 3G coverage

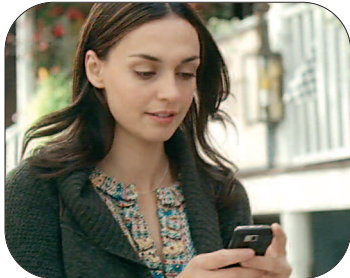

works so great

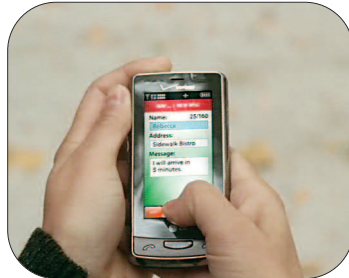

on Verizon Wireless,

there's a map for that.

Or why you can make plans

on the go at 3G speed.

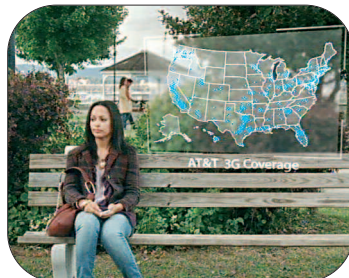

There's a map for that.

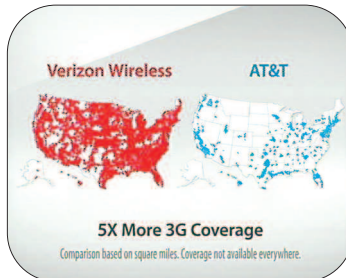

And if you want to know why

your friend's 3G coverage keeps her out of touch,

there's a map for that, too.

Yep. With 5X more 3G coverage than the nation's number two wireless company,

**SUPER:** Comparison based on square miles covered. Coverage not available everywhere.

there's lots of reasons to switch to Verizon Wireless.
