 Goat Stories

### One of Rabun County's Most Unique and Entertaining....

As you are driving north into Rabun County toward Clayton, Georgia, on Hwy. 441, if you look to your left, you'll see an amazing place called "Goats On The Roof." A novel idea for a store in the Mountains of North Georgia. One of the most creative and spectacular sites to see. Come and explore the inside of this phenomenon and you'll find treasures like Unique Gifts, Fresh Fruits and Vegetables, Homemade Ice Cream and Fudge, Wines, Cheeses, Old Fashioned Candies, © Funny T-Shirts, Gag Gifts and a whole lot more. And, in addition to these, you will marvel at the Goats that wander around on the roof tops, eating the grass covered structure. Bring your camera!...you'll want to share this adventure with your friends, as you feed the goats from the hand cranked pulleys, sending food to the "Goats On The Roof."

New this year...visit The Old Goat Mining Company and mine for precious gems. Hard Hat Provided!
