ORDER

After a careful, *de novo* review of the file, the Court concurs with the Magistrate Judge's Report and Recommendation, to which objections have been filed. (Doc. no. 18.) After thorough consideration of the grounds of alleged error in Plaintiff's briefing, (doc. no. 7), and the Acting Commissioner's responses, (doc. no. 10), the Magistrate Judge recommended that the Acting Commissioner's final decision be affirmed because (1) the Administrative Law Judge ("ALJ") properly rejected Plaintiff's testimony concerning the intensity, pain, and limiting effects of his back and knee conditions, (2) the ALJ properly determined Plaintiff's residual functional capacity ("RFC") after assessing all of the evidence and testimony in the record, and (3) the ALJ's decision properly incorporated the testimony of the Vocational Expert ("VE"). (See generally doc. no. 16.)

The Court hereby **OVERRULES** Plaintiff's objections because they restate the claims that the Magistrate Judge has already addressed at length and do not offer any new information or evidence that warrants a deviation from the Magistrate Judge's recommendation. (See generally doc. no. 18.) Accordingly, the Report and Recommendation of the Magistrate Judge is **ADOPTED** as the opinion of the Court. Therefore, the Acting Commissioner's final decision is **AFFIRMED**, this civil action is **CLOSED**, and a final judgment is **ENTERED** in favor of the Acting Commissioner.

SO ORDERED this 25th day of February, 2014, at Augusta, Georgia.

HONORABLE J. RANDAL HALL
UNITED STATES DISTRICT JUDGE
SOUTHERN DISTRICT OF GEORGIA
