ORDER

The Court **ORDERS** that any party seeking to object to the Report and Recommendation file specific written objections within fourteen (14) days of the date on

which the Report and Recommendation is entered. Any objections asserting that the Magistrate Judge failed to address any contention raised in the pleading must also be included. Failure to do so will bar any later challenge or review of the factual findings or legal conclusions of the Magistrate Judge. See 28 U.S.C. § 636(b)(1)(C); Thomas v. Arn, 474 U.S. 140 (1985). A copy of the objections must be served upon all other parties to the action. The filing of objections is not a proper vehicle through which to make new allegations or present additional evidence.

Upon receipt of objections meeting the specificity requirement set out above, a United States District Judge will make a *de novo* determination of those portions of the report, proposed findings, or recommendation to which objection is made and may accept, reject, or modify in whole or in part, the findings or recommendations made by the Magistrate Judge. Objections not meeting the specificity requirement set out above will not be considered by a District Judge. A party may not appeal a Magistrate Judge's recommendation directly to the United States Court of Appeals for the Eleventh Circuit. Appeals may be made only from a final judgment entered by or at the direction of a District Judge. The Court **DIRECTS** the Clerk to serve a copy of this Report and Recommendation upon the parties.

SO ORDERED this 26th day of March, 2019, at Augusta, Georgia.

BRIAN K. EPPS
UNITED STATES MAGISTRATE JUDGE
SOUTHERN DISTRICT OF GEORGIA
