CIVIL ACTION NO.: 2:14-CV-24

ORDER

The Court granted the parties' joint Motion to Stay this action on October 5, 2015. (Doc. 37.) The stay was intended to enable some of the Plaintiffs in this case to exhaust their appellate rights in a related case before this Court. Id. In that related case, the Court dismissed the Complaint of the Intervenor (some of whom are Plaintiffs in this case). See, Order, Camden County v. Lexon, 2:14-cv-00020 (S.D. Ga. Sep. 1, 2015) ECF No. 145. However, it appears that the Intervenor in the related case are not currently pursuing any appellate remedies.

Accordingly, the parties are hereby **ORDERED** to file a joint status report within **fourteen days** of the date of this Order. In that report, the parties should address the status of this case and their related litigation and should state their respective positions as to whether this case should remain stayed.

SO ORDERED, this 25th day of March, 2016.

A handwritten signature in blue ink, appearing to read "R. Stan Baker". The signature is stylized with a large "R" and "S" and a cursive "Baker".
