ORDER

On June 20, 2019, the Court held an initial pretrial conference and referred this case to the undersigned for disposition. Doc. 82, doc. 83. Also at that pretrial conference, plaintiff indicated that she did not object to the substitution of K.S. as plaintiff now that K.S. has reached the age of majority. If plaintiff elects not to make such a substitution, plaintiff should provide to the court a brief—no longer than 10 pages—explaining why such a substitution is unnecessary.
