ORDER

Beverly Bashlor Taylor requested a status conference to discuss various pending issues in this case. Doc. 66. The Court **GRANTED** that motion and, on February 19, 2019, the Court held a telephonic status conference attended by all parties’ respective counsel. The parties expressed their willingness to consider a court-facilitated settlement conference. Based on that agreement, the Court **DIRECTS** them to confer and file a joint Status Report within seven days (*i.e.*, by no later than February 26, 2019) indicating each party’s willingness to participate in a settlement conference and, if they are willing, proposing multiple possible dates for that conference.

SO ORDERED, this 19th day of February, 2019.
