Respondent.)	

ORDER

In *this* 28 U.S.C. § 2255 case, CV416-165, derived from the criminal case against Anthony Reginald Peek, CR408-221, the undersigned issued a Report and Recommendation advising that Peek's latest 28 U.S.C. § 2255 motion be denied as successive. CR408-221, doc. 72; CV416-165, doc. 11. That R&R is pending before the district judge.

In the meantime, a rump § 2255 case exists, CV416-215, caused by the same successive § 2255 filing addressed by the R&R in CV416-165, doc. 11 (paralleling CR208-221, doc. 72). Hence, the Clerk is **DIRECTED** to **ADMINISTRATIVELY CLOSE** CV416-215 after

docketing this Order in it.¹ For good measure, the Clerk shall also place a copy of this Order in CV415-218 (an earlier, since denied, §2255 case) to further assist court staff in making sense of Peek's filings.

SO ORDERED, this 6th day of January, 2017.

UNITED STATES MAGISTRATE JUDGE
SOUTHERN DISTRICT OF GEORGIA

¹ Incidentally, the pending motion to appoint counsel in that case, CV416-215 doc. 3, was reached in CR408-221, doc. 74, and in CV416-165, doc. 13.
