Menu Foods operates two manufacturing plants in the United States and distributes their pet food products throughout the entire United States including Arkansas.

The above listed Defendants are hereinafter referred to collectively as "Defendants" or "Menu Foods"

4. Defendant Wal-Mart Stores, Inc, (Wal-Mart) is a Delaware corporation headquartered in Bentonville, Arkansas that sells Menu Food products throughout their retail stores in Arkansas and throughout the United States. Wal-Mart is the single largest distributor of Menu Foods products. Plaintiffs purchased the contaminated pet food at the Wal-Mart store in Bentonville, AR. Menu Foods produced some brands of pet food exclusively for Wal-Mart under a private label agreement.

JURISDICTION AND VENUE

5. This Court has jurisdiction over the subject matter of this action pursuant to 28 U.S.C. §§ 1332(d)(2). The matter in controversy exceeds \$5,000,000, is a class action and there are members of the proposed Class that are citizens of States different than at least one of the Defendants.

6. Venue is proper in this district under 28 U.S.C. § 1391 (b) and (d). Defendant Wal-Mart is headquartered in the District. Defendant Menu Foods Income Fund is a foreign corporation headquartered outside the United States and distributes, through retailers such as Wal-Mart, the pet food products in issue in the District. Additionally, Plaintiffs purchased the tainted pet food in the District.

FACTS

7. Defendant, Menu Foods told the U. S. Food and Drug Administration, that they had become aware of the contamination on February 20, 2007. Menu Foods believed that the contamination came from their supplier of Wheat Gluten. Defendant, Menu Foods conducted test to determine if the contamination was harmful to pets on February 27, 2007. The results of the test resulted in death to one out of every six pets who consumed the contaminated pet food.

8. Defendants Menu Foods and Wal-Mart did nothing to prevent the distribution of the contaminated pet food until weeks after the discovery occurred. This action, or lack thereof, permitted and caused additional harm to thousands of pet owners in Arkansas and throughout the country.

9. Plaintiffs owned two cats that were very healthy middle aged cats. The two cats were named "Fred" and "Grinch." Plaintiffs fed the two cats "Special Kitty" cat food which was made by Menu Foods exclusively for Wal-Mart under a private label agreement.

10. Beginning around February, 2007, Plaintiffs noticed that both cats were acting differently and had begun to lose weight. In a tragic irony, Plaintiff forced the cats to eat more of the contaminated pet food, unaware that the pet food was contaminated and the cause of the poor health.

11. On March 18, 2007, Plaintiff was finally made aware through the media that a recall had been issued for the pet food by the Defendant, Menu Foods and that the pet food could cause kidney failure and other symptoms that were being experienced by the Plaintiffs' cats. On March 19, 2007, Plaintiffs took their cats to their veterinarian for examination. That same day, the veterinarian ran some tests and informed the Plaintiffs that both cats were suffering from kidney failure due to the consumption of the contaminated pet food. The veterinarian suggested that the only chance of survival for the cats was a very expensive procedure in which the likelihood of success was very small.

12. The veterinarian diagnosed the kidney failure to be the result of the cats consumption of contaminated pet food. The veterinarian recommended that the Plaintiffs call a Menu Foods hotline number which she provided to the Plaintiffs. The hotline had been set up on or around March 17, 2007, nearly three weeks after Menu Foods had become aware of the problem. The veterinarian suggested that Menu Foods should pay for the expensive procedure.

13. The Plaintiffs called the hotline number around a hundred times to determine if Menu Foods would pay for the procedure and never reached an operator or answering machine. Finally, out of desperation the Plaintiffs called another number for Menu Foods and left a message for somebody from Menu Foods to call them. The message was never returned.

14. Around 3:30 p.m. on the afternoon of March 19, 2007, Plaintiffs made the decision that their cats could not suffer any further and euthanized the cats.
