Plaintiff,

v.

MENU FOODS, Inc., a New Jersey Corporation,

JUDGE ANDERSEN

MAGISTRATE JUDGE NOLAN

Jury Trial Demanded

CLASS ACTION COMPLAINT

Plaintiff Dawn Majerczyk brings this class action complaint against defendant Menu Foods, Inc. ("Menu Foods") to seek redress for herself and all other individuals injured by its sale of contaminated pet food throughout the United States.

NATURE OF THE CASE

1. Menu Foods, one of the largest pet food manufacturers in the world, recently issued a mass recall of 42 brands of cat food and 51 brands of dog food.
2. That recall was issued – belatedly – as a result of evidence that the pet food in question was contaminated with a potentially lethal agent.
3. When ingested by an animal, the contaminated pet food can cause immediate renal failure, resulting in the complete shutdown of the animal's kidneys and, ultimately, its death.
4. Menu Foods' actions in selling the contaminated food and failing to issue the recall sooner were reckless and in breach its duties and warranties to its customers.

5. Those actions were a proximate cause of injury to and the deaths of currently untold numbers of pets, including plaintiff Dawn Majerczyk's cat, as described more fully below.

6. On behalf of a nationwide class, Majerczyk seeks redress for that misconduct.

PARTIES

7. Plaintiff Dawn Majerczyk is a citizen of Illinois, residing in Cook County, Illinois.

8. Defendant Menu Foods is the self-proclaimed "leading manufacturer of private-label wet pet food in North America." It is a New Jersey Corporation with its principle place of business in New Jersey. It does business throughout the United States, including Cook County, Illinois.

JURISDICTION

9. The Court has original jurisdiction over this complaint pursuant to 28 U.S.C. § 1332(d) because (a) plaintiff and numerous members of her putative class are citizens of states different from those of which Menu Foods is a citizen, (b) the amount in controversy exceeds \$5,000,000, exclusive of interests and costs, and (c) none of the jurisdictional exceptions contained in 28 U.S.C. § 1332(d)(4)-(5) applies to the instant action.

VENUE

10. Venue is proper in this district under, *inter alia*, 28 U.S.C. §§ 1391(a)(1).

FACTS

11. Menu Foods holds itself out to the public as a manufacturer of safe, nutritious, and high-quality dog and cat food.

12. It makes numerous express warranties about the quality of its food and its manufacturing facilities.

13. For example, Menu Foods touts the claim that it “manufacture[s] the private-label, wet pet-food industry’s most comprehensive product program with the highest standards of quality” and it operates “state-of-the-art” manufacturing facilities in the United States and Canada.

14. Menu Foods intended for pet owners to believe its statements and trust that its pet food is of first-rate quality.

15. On or about March 16, 2007, Menu Foods announced a recall of approximately 42 brands “cuts and gravy” style dog food and 51 brands of “cuts and gravy” style cat food, all produced at Menu Foods’ facility in Emporia, Kansas, between Dec. 3, 2006, and March 6, 2007.

16. Weeks before the recall, Menu Foods had received numerous complaints indicating that the pet food originating from the Emporia plant was killing pets.

17. As a result of these complaint, Menu Foods tested its food on approximately 40 to 50 pets. Seven of those pets died after ingesting the food.

18. Despite having actual knowledge of both the complaints it received and its own study, Menu Foods delayed for weeks before issuing the notice of recall.

19. Even then, its recall was conducted in a negligent manner. For example, both its website and the toll-free telephone number it provided to the public were frequently non-operational.

FACTS RELATING TO THE NAMED PLAINTIFF

20. On or about March 10, 2007, Majerczyk purchased several pouches of Special Kitty Select Cuts from a Walmart store for her nine-year-old cat, Phoenix.

21. Menu Foods is the manufacturer of Special Kitty Select Cuts.

22. On March 16, 2006, shortly after ingesting Menu Food's cat food, Phoenix went into renal failure. Phoenix's kidneys shut down, and on March 17, 2007, he had to be put down.

23. Majerczyk incurred over \$300 in veterinary expenses relating to the attempts to save Phoenix's life.

24. Phoenix had been with Majerczyk's family from birth.

25. The loss was devastating not only to Majerczyk, but also to her seventeen-year-old son and fourteen-year-old daughter as well.

CLASS ALLEGATIONS.

26. Majerczyk brings this action, pursuant to FRCP 23(b)(3), on behalf of herself and a class (the "Class") consisting of herself and all others who purchased pet food in the United States that was ultimately subject to the March 16, 2007 Menu Foods recall.

27. Upon information and belief, there are over 100,000 members of the Class such that joinder of all members is impracticable.

28. Common questions of law and fact exist as to all members of the Class and predominate over questions affecting individual members. Common questions for the Class include:

(a) Did Menu Foods act negligently in failing to prevent the contamination of its pet food?

(b) Did Menu Foods act negligently in failing to warn its customers in a timely and effective manner of the danger of its pet food?

(c) Did Menu Foods' breach express and/or implied warranties relating to the sale of its pet food?

29. Majerczyk will fairly and adequately protect the interests of the Class, her claims are typical of the claims of the members of the class, and she has retained counsel competent and experienced in class action litigation.

30. A class action is superior to other available methods for fairly and efficiently adjudicating this controversy because, among other things, (a) joinder of all members of the class is impracticable, and (b) many members of the class cannot vindicate their rights by individual suits because their damages are small relative to the burden and expense of litigating individual actions.

COUNT I

(Breach of Warranties)

31. Plaintiff incorporates by reference the foregoing allegations.

32. Menu Foods breached express warranties to Plaintiff and violated the Uniform Commercial Code.

33. Menu Foods breached implied warranties to Plaintiff and violated the Uniform Commercial Code.

34. Menu Foods breached the implied warranty of merchantability.

35. As a proximate cause of this misconduct, plaintiff and her class suffered actual damages, including without limitation the cost of the contaminated pet food and any resulting veterinary bills.

WHEREFORE, Plaintiff, on behalf of herself and the Class, prays for the following relief:

1. An order certifying the Class as defined above;
2. An award of actual damages;
3. Appropriate injunctive relief;
4. Medical monitoring damages;
5. Reasonable attorney's fees and costs; and
6. Such further and other relief the Court deems appropriate.

**COUNT II
(Negligence)**

36. Plaintiff incorporates by reference the foregoing allegations.

37. Menu Foods owed its customers a duty to offer safe, non-contaminated products in the stream of commerce.

38. Menu Foods breached this duty by failing to exercise due care in the producing, processing, manufacturing and offering for sale of the contaminated pet food described herein.

39. Menu Foods further breached this duty by failing timely and effectively to warn plaintiff and the class of the contamination even after it had actual knowledge of that fact and of the resulting risks.

40. As a proximate cause thereof, plaintiff and her class suffered actual damages, including without limitation the cost of the contaminated pet food and any resulting veterinary bills.

WHEREFORE, Plaintiff, on behalf of herself and the Class, prays for the following relief:

1. An order certifying the Class as defined above;
2. An award of actual damages;
3. Appropriate injunctive relief;
4. Medical monitoring damages;
5. Reasonable attorney's fees and costs; and
6. Such further and other relief the Court deems appropriate.

JURY DEMAND

**JURY DEMAND
CLASS ACTION**

CLASS ACTION COMPLAINT

I. Class Action

1. Plaintiff, individually and as representative of a Class of similarly situated persons more defined below, brings suit against the named Defendant for offering for sale and **selling** to Plaintiff and Class members pet food and food products – “cut and gravy” pet products – formally **recalled** on March 16, 2007. Defendant is a corporation doing business and operating in the United States. Defendant recalled cat and dog food products that are sold under numerous brands by several national chain stores in Tennessee and other States in the United States. The pet food products were produced by Defendant(s), a private label manufacturer, labeled by the Defendant, and then distributed and ultimately sold to Plaintiff, Class Members, and others. Defendant issued or caused to be issued a press release announcing the recall, and the United States Food and Drug Administration issued a press release the same day. These pet food products were intended to be placed in the stream of commerce and distributed and offered for sale

and sold to Plaintiff and purchasers in Tennessee and the United States and fed to their pets, cats and dogs.

II. Jurisdiction and Venue

2. This Court has jurisdiction over this action pursuant to 28 U.S.C. §1332 and subsection (d), and the Class Action Fairness Act of 2005, Pub. L.109-2 (Feb. 18, 2005); and over supplemental state law claims pursuant to 28 U.S.C. §1367.

3. Venue is proper in this Court and judicial district pursuant to 28 U.S.C. §1391 and/or Pub. L.109-2 because a part or substantial part of the events or omissions giving rise to the claim occurred in this judicial district, or a substantial part of property that is the subject of the action is situated in this judicial district.

4. In this judicial district, Plaintiff purchased the recalled pet food product made by or for Defendant, and her pet ate or consumed it. Thousands of other consumers/customers – including Plaintiff and other Class Members – purchased the recalled or contaminated products in this judicial district from retailers that Defendant, its agents, affiliates, or others it or they controlled sold or made available to them. In turn, retailers or others sold these recalled products to the general public, including Plaintiff, Class members and other purchasers. These products were purchased for consumption by the pets of Plaintiff and the Class members. Defendant made or caused these products to be offered for sale and sold to the public, including Plaintiff.

5. Rule 23 of the Federal Rules of Civil Procedure applies to class actions as well.

III. Plaintiff

6. At all times material hereto, Plaintiff Lizajean Holt was and is a citizen of the State of Tennessee and the United States and resides in Knox County, Tennessee.

IV. Plaintiff's Purchase(s)/Defendant's Recall

7. Plaintiff purchased recalled brands of Pet Pride and Iams pet food from a national chain grocery store, Kroger, operating in Knox County, Tennessee. Kroger, like other retailers, did not alter the product produced by the Defendant in any way prior to selling it to Tennessee consumers and other consumers throughout the United States.

8. Without knowing that Defendants would recall the product after it was offered for sale and sold to her, Plaintiff purchased and fed the product(s) to her cat, her pet. Her pet became lethargic and began drinking large amounts of water and Plaintiff discontinued feeding the Defendant's products to her cat prior to the recall notice. Plaintiff and thousands of other consumers will now face veterinary bills to have their pets evaluated for kidney damage.

9. Before her purchase, Defendant never warned Plaintiff that the pet food product that she purchased for feeding her pet may or would cause it have health problems or concerns or that she would have to take her pet to a veterinarian due to a health concern relating to or resulting from the tainted pet food.

10. On or on about March 16, 2007, Defendant issued a recall for certain pet food for cats and dogs that it manufactured in plants that it controlled, owned, operated, or managed in the United States.

11. Defendant's business consists substantially of providing private label pet foods at its plants or pet foods under other brands, not its own. In turn, Defendant's

products are sold under a variety of labels or brands listed on its website as of March 17, 2007 and set forth below.

12. The product that Plaintiff purchased at a Kroger in Knoxville was a product recalled by Defendant.

13. After Plaintiff purchased the pet food and fed it to her cat, she learned about the recall and the actual or potential problems and concerns from purchasing and feeding the product to her pet.

14. Plaintiff bought the product(s) for their intended purposes: to feed her pet.

15. Defendant placed these pet products in the stream of commerce in Tennessee and elsewhere expecting that consumers such as Plaintiffs, the Class members, and the general public would feed these products to their pets.

V. Defendant, Its Business, and the Recall

16. At all times material hereto, Defendant Menu Foods, Inc. was and is a New Jersey corporation with its principal place of business in the State of New Jersey, specifically located at 9130 Griffith Morgan Lane, Pennsauken NJ 08110. Defendant is ultimately owned or controlled by Menu Foods Income Group, an Ontario based legal entity. Some of Defendant's high managerial or officers or agents with substantial authority are also high managerial officers or agents of Menu Foods Income Group. Defendant may be served through the Secretary of State for Tennessee or as provided by law.

17. Defendant Menu Foods, Inc. owns, controls, is related to or an affiliate of a firm with plants where the pet food is manufactured or processed that are located in the United States. These plants are located in Emporia, Kansas and, Pennsauken, New

Jersey, the place of manufacture where the pet products were recalled, and/or at other locations in the United States.

18. Defendant is the leading North American private label/contract manufacturer of wet pet food products sold by supermarket retailers, mass merchandisers, pet specialty retailers, and other wholesale and retail outlets, including Wal-Mart, Safeway, Kroger, PetSmart, Inc., Giant Food, and other large retail chains, and has provided pet food products to or for Proctor & Gamble, Inc. It produces hundreds of millions of containers of pet food annually.

19. Defendant has manufactured or produced pet food for private labels for about 17 of the 20 leading retailers in the United States.

20. Defendant's business includes manufacturing, producing, distributing, or selling cat food under various brands or labels, and/or for third party firms, including: America's Choice, Preferred Pets, Authority, Best Choice, Companion, Compliments, Demoulus Market Basket, Eukanuba, Finc Feline Cat, Food Lion, Food Town, Giant Companion, Hannaford, Hill Country Fare, Hy-Vee, Iams, Laura Lynn, Li'l Red, Loving Meals, Meijer's Main Choice, Nutriplan, Nutro Max Gourmet Classics, Nutro Natural Choice, Paws, Pet Pride, President's Choice, Priority, Sav-a-Lot, Schnucks, Science Diet Feline Savory Cuts Cans, Sophsitacat, Special Kitty US, Springfield Prize, Sprout, Total Pet, Wegmans, Western Family, White Rose, and Wynn Dixie.

21. Defendant's business includes manufacturing, producing, distributing, or selling dog food under various brands or labels, and/or for third party firms, including: America's Choice, Preferred Pets, Authority, Award, Best Choice, Big Bet, Big Red, Bloom, Bruiser, Cadillac, Companion, Demoulus Market Basket, Eukanuba, Food Lion,

Giant Companion, Great Choice, Hannaford, Hill Country Fare, Hy-vee, Iams, Laura Lynn, Li'l Red, Loving Meals, Meijer's Main Choice, Mixables, Nutriplan, Nutro Max, Nutro Ultra, Nutro, Ol'Roy US, Paws, Pet Essentials, Pet Pride – Good & Meaty, President's Choice, Price Chopper, Priority, Publix, Roche Brothers, Sav-a-Lot, Schnucks, Shep Dog, Sprout, Statler Bros, Total Pet, Western Family, White Rose, Wynn Dixie, and Your Pet.

22. On Defendant's website as of March 17, 2007, it listed by brands, the size of the container or pouch, the dates of manufacture, and the products subject to recall.

Thus, each container or pouch and size of each brand or label listed – subject to the recall above – was noted specifically on its web site. Thus, a 3 ounce can or pouch of Pet Pride Pouch Mixed Grill 24 X 3 with sale by date of March 8, 2009, with a specified "UPC" number was one of about 150 separate Pet Pride labeled cat food that Defendant recalled. The other brands also generally listed numerous separate pouches or containers bearing the major private label or brand with a further sub-description similar to the manner described above, by brand or label.

23. After reports or complaints from pet owners about symptoms – such as vomiting or lethargy – suggesting kidney failure in their dogs and cats and/or after reports of deaths of certain pets, from or through its Canadian office or affiliation, Defendant caused or issued a recall of certain specified pet products, reportedly totaling between 40 and 60 million cans.

24. Defendant also advised a governmental agency of the United States about the recall and certain events leading to the recall, namely the Food and Drug Administration (FDA).

25. Defendant produces over 1,000,000,000 pouches or containers of pet food products each year, a substantial portion of which is sold or offered for sale in Tennessee or for Tennesseans who purchase the products for their pets. Many consumers who fear for the health of their pets will no longer have the product because it has been fed to the pets.

26. Defendant knows or should know that national, regional, and/or local distributors will distribute these finished pet food products that it manufactures or processes to retailers to offer them for sale in Tennessee to Tennesseans who purchase and buy them for their pets for consumption by their pets in the State of Tennessee and in this judicial district.

27. Defendant knows or understands that millions or tens of millions of cans or pouches of the pet food products that it manufactures or produces will be advertised, promoted, and sold in Tennessee and this judicial district, including a significant or substantial part of the recalled pet food.

28. Defendant knows or understands that the promotion and advertising of pet food produced at its plants in part targets consumers and customers in Knox County, in this judicial district, in the State of Tennessee, regionally, or nationally.

29. Defendant makes or produces the pet food products in its plants with a purpose or design that consumers and customers will purchase them, regardless of brand or label name, place of purchase, or place where pets actually consume them.

30. Defendant makes or produces for third parties well-known, lesser known, and/or premium or discount brands or labels of pet foods and knows that customers and consumers will ultimately purchase them to feed to their pets.

31. Defendant desires that consumers and others who purchase or consider purchasing a pet food product made or produced in one of its plants, by whatever label or brand, believe that the pet food product is safe for their pets to eat.

32. In the last few days, Defendant has recalled specified pet food products that consumers and customers purchased from a time beginning about December 3, 2006 and concluding about March 6, 2007.

33. Class members and others have purchased the pet products that were recalled across the United States, in Tennessee, and in this judicial district.

34. Class members and others who purchased or fed Defendant's products to their pets did so in this judicial district, in Tennessee, and in the United States.

35. Some class members or others have already taken their pets to a veterinarian for treatment or diagnosis related to their pets eating the recalled pet food and more will do so as word of the recall spreads. For instance, the Knoxville NewsSentinel carried a prominent story about the recall and the potential dangers to the pets of East Tennessee citizens in its Sunday, March 18, 2007 edition.

36. Class members have suffered and will suffer injuries, losses, or damage as a result of the recall and/or feeding their animals the food that was recalled.

37. There have been other reported incidents of pet food being recalled as a result of possible or actual concerns or problems with the pet food and its or their effects on pets. Defendant knew or should have known about the risks and possible injury.

VI. Plaintiff, Class Members, and Others' Losses, Damages, and Injuries

38. As a result of their purchases of the pet food recalled or subject to recall, set forth above, Plaintiff, Class members, and others have suffered and will suffer a loss,

damage, injury, and sustained damages, including consequential and incidental damages, such as costs of purchasing the contaminated food product and replacing it with a safe food product, including sale tax or a similar tax, costs of making an additional trip to a retail store to purchase safe, non-contaminated pet food, the price of postage to secure a refund offered by Defendant, the cost of veterinarians, treatment, medicines and the trip(s) to make such visits for diagnosis and treatment, and otherwise.

VII. Breach of Warranties & Remedies

39. Defendant breached express warranties to Plaintiff, the Class, and others, and violated the Uniform Commercial Code.

38. Defendant breached implied warranties to Plaintiff, the Class, and others, and violated the Uniform Commercial Code.

40. Defendant breached the implied warranty of fitness for a particular purpose by claiming certain of the pet food that it manufactured or produced and was recalled were fit and safe for consumption by pets and thereby violated the Uniform Commercial Code.

41. Defendant breached the implied warranty of merchantability. In fact, the pet food subject to recall and purchased or used by Plaintiff, the Class, and others was not merchantable. This breach violated the Uniform Commercial Code.

42. Plaintiffs are entitled to the remedies for breach authorized by the Uniform Commercial Code and other law.

VIII. Negligence

43. Defendants owed Plaintiff and the Class a duty to only offer safe, non-contaminated products for consumption by pets and offered for sale and sold in the stream of commerce.

44. Though its failure to exercise due care Defendant owed Plaintiff, the class, and others, Defendant was negligent in producing, processing, manufacturing, and offering for sale the recalled pet food and pet food products it offered for sale and sold to Plaintiff, the class, and others.

45. Defendant failed to use sufficient quality control, to do adequate testing, to perform proper manufacturing, production, or processing, or failed to take sufficient measures to prevent the pet food products that were recalled from being offered for sale, sold, or fed to pets.

46. Defendant knew or should have known that the pet food that was recalled presented an unacceptable risk to the pets of the Plaintiff, the Class, and others and would result in damage that was foreseeable and reasonably avoidable.

47. The loss, damage, and injuries were foreseeable.

48. Defendant's negligence proximately caused the loss, damage, injury, and damages to Plaintiff, the Class, and others.

IX. Statutory Unfair or Deceptive Trade Practices Act

49. Plaintiff, the Class, purchasers, others, and Defendant are each a "person" within the meaning of Tenn. Code Ann. §47-18-103.

50. Defendant's offer for sale or sale of their recalled pet food products is in or affects trade or commerce in Tennessee.

51. Defendant impliedly represented to the public, Plaintiff, the Class and others that its pet food products were safe for consumption by their pets and could be safely purchased.

52. In fact, Defendant recalled or caused to be recalled millions of containers or pouches of pet food because it risked the health and well-being of consumers, customers, Plaintiff, purchasers, the Class, and others.

53. Defendant violated Tenn. Code Ann. §47-18-104 (a) and sub-parts of (b) by placing these unsafe pet food products in the stream of commerce in Tennessee.

54. Each Plaintiff, Class member, and other person adversely affected in Tennessee has suffered an ascertainable loss of money or property due to a violation of the Consumer Protection Act.

55. Plaintiffs brings a claim for a violation of the Tennessee Consumer Protection Act under Tenn. Code Ann. §47-18-109, including the ascertainable loss of money or property by each such person.

X. Rule 23

56. Plaintiffs ask this Court to certify the following Class:

All persons in the United States who purchased or fed his, her, or their cat(s) or dog(s) pet food produced or manufactured by Defendant that was or will be recalled by the Defendant, including that produced from December 3, 2006 up to and including March 6, 2007.

57. Plaintiff is a member of the Class, sues as a representative party on behalf of all, and avers that the class is so numerous that joinder of all members is impracticable.

58. There are questions of law or fact common to the Class. These common questions include but are not limited to the following:

- a. Whether Defendant sold pet food products that were recalled or subject to a recall?
- b. Whether Defendant advertised, represented, or held itself out as producing or manufacturing a pet food product that was safe for pets of the class members?
- c. Whether Defendant expressly warranted these products?
- d. Whether Defendant impliedly warranted these products for fitness for a particular purpose?
- e. Whether Defendant impliedly warranted these products for merchantability?
- f. Whether Defendant purported to disclaim any express warranty?
- g. Whether Defendant purported to disclaim any implied warranty?
- h. Whether any limitation on warranty fails to meet its essential purpose?
- i. Whether Defendant intended that the pet food products be purchased by Plaintiff, Class members, or others?
- j. Whether Defendant intended or foresaw that Plaintiff, class members, or others would feed their pet food products to their pets?
- k. Whether Defendant recalled the pet food products?
- l. Whether Defendant was negligent in manufacturing or processing the pet food products?
- m Whether using the products as intended – to feed their pets – resulted in loss, injury, damage, or damages to the Class?
- n. Whether Defendant's negligence proximately caused loss or injury to damages?
- o. Whether Class members suffered direct losses or damages?
- p. Whether Class members suffered indirect losses or damages?

q. Whether Defendants' acts or practices violated state Deceptive Trade Practices Acts?

59. The claims or defenses of the representative parties are typical of the claims or defenses of the Class.

60. The representative parties will fairly and adequately protect the interests of the Class.

61. Prosecuting separate actions by individual members of the Class would create a risk of either –

a. Inconsistent or varying adjudications with respect to individual members of the class which would establish incompatible standards of conduct for defendants, the parties who oppose the class, or

b. Questions of law or fact common to the members of the class predominate over any questions affecting only individual members, and a class action is superior to other available methods for the fair and efficient adjudication of the controversy.

c. Few, if any, Class members have an interest in individually controlling the prosecution of separate actions;

d. Plaintiff is unaware of any litigation concerning the controversy already commenced by members of the class;

e. It is desirable to concentrate the litigation of the claims in this forum;

f. No unusual difficulties are likely to be encountered in the management of a class action.

62. The undersigned Attorneys for Plaintiff and the Class request that the Court appoint them to serve as class counsel first on an interim basis and then on a permanent basis.

63. They will fairly and adequately represent the interests of the class, have identified or investigated the Class's potential claims, are experienced in handling class actions, other complex litigation, and consumer claims of the type asserted in the action, know the applicable law, will commit sufficient resources to represent the class, and are best able to represent the Class.

64. Plaintiff requests this Court to certify this Class in accordance with Rule 23 and the Class Action Fairness Act of 2005.

XII. Jury Demand

65. The Class demands a jury trial on all issues triable by a jury.

XIII. Prayer for Relief

Wherefore, premises considered, Plaintiff prays that the Court grant the following relief:

1. That process issue and Defendant be served. (Plaintiff's counsel will first provide Defendant's agent, Corporation Trust Company, 820 Bear Tavern Road, West Trenton, NJ 08628 with a Notice of Lawsuit by mail pursuant to the Federal Rules)
2. That as soon as practical, the Court certify a Class, defined herein, or modified as appropriate under the facts and law.
3. That the Court find that Plaintiff has satisfied Rule 23's and federal law's requirements for certifying a Class.

4. That the Court find that Defendant manufactured or processed the pet food products that were sold or offered to sale to Plaintiff and the Class.
5. That the Court find that Defendant intended Plaintiff and Class members to believe that the pet foods sold were fit and safe for consumption by their pets.
6. That a trial be held and Defendants be held liable to the Class for – breach of warranty, negligence, and under state statutes prohibiting deceptive trade practices.
7. That the Class be awarded an amount sufficient for direct damages occasioned by Defendants’ acts and practices.
8. That the Class be awarded an amount sufficient for indirect, consequential, and incidental damages occasioned by Defendant’s acts and practices.
9. That the Class be awarded treble damages or special damages authorized by state statutes prohibiting deceptive trade practices, depending upon the State where the Class Member lives.
10. That the Court award reasonable attorney’s fees and costs and expenses recoverable under law.
11. That the Court order such other, further relief as the case requires and justice demands.

Dated: March 19, 2007.

Attorneys for Plaintiffs and the Class

**UNITED STATES DISTRICT COURT
DISTRICT OF NEW JERSEY**

Jared Workman, and Mark and Mona Cohen,
on behalf of themselves and all others
similarly situated,

Plaintiffs,

vs.

Menu Foods Limited, Menu Foods Inc., and
Menu Foods Midwest Corporation

Defendants,

Civil Action No. _____

COMPLAINT - CLASS ACTION
JURY TRIAL DEMANDED

PLAINTIFFS' CLASS ACTION COMPLAINT

Plaintiffs Jared Workman, and Mark and Mona Cohen, by their attorneys, allege upon information and belief, the following:

1. This class action is brought, and these proceedings instituted, to redress the harms resulting from the manufacture, production, and sale by Menu Foods Limited, Menu Foods Inc. and Menu Foods Midwest Corporation of dog and cat food marketed under over 90 brand names.

Plaintiffs make the following allegations, except as to the allegations specifically pertaining to Plaintiffs and Plaintiffs' counsel, based upon the investigation undertaken by Plaintiffs' counsel, which included, inter alia, review and analysis of Defendant's website, press releases, news articles, and pleadings filed in other suits.

PRELIMINARY STATEMENT

2. Defendants manufacture and sell over 90 brands of pet food for cats and dogs, including popular labels like Iams and Eukanuba and private label brands sold at large retail chains. On March 16, 2007, the parent company of Menu Foods Limited issued a press release announcing the recall of 60 million cans of contaminated dog and cat food manufactured between December 3, 2006 and March 6, 2007. The recall covers the "cuts and gravy" style pet foods in cans and pouches manufactured at two of Menu Foods Limited's U.S. manufacturing facilities - Menu Foods, Inc. and Menu Foods Midwest Corporation, located in New Jersey and Kansas, respectively.

3. The recalled pet food that Plaintiffs and Class members purchased and fed to their pets caused their pets to become ill through kidney disease, requiring veterinarians visits, medications, hospitalizations and, in some cases, burials of those pets that died due to renal failure caused by the contaminated pet food. Many pets that consumed the recalled tainted food now require ongoing monitoring of their health to ascertain the extent of the damage to their kidneys.

4. Plaintiffs here seek damages, injunctive relief, attorneys' fees, and costs against Defendants.

PARTIES

5. Plaintiff Jared Workman resides at 1150 Unit D, Monroe Drive, Boulder, CO, 80303. Plaintiff Workman purchased and fed his cat Iams pet food that was manufactured by Defendants during the Class Period. This cat, named Seth, became ill with kidney disease, was hospitalized, and subsequently died of acute renal failure. In addition to the cost of purchasing the contaminated food, Plaintiff Workman incurred economic costs in connection with the medical treatment and burial of his cat, as well as continuous medical monitoring of his other two cats.

6. Plaintiffs Mark and Mona Cohen reside at 1415 Brighton Street, Philadelphia, PA 19111. Plaintiffs purchased and fed their dog Iams pet food that was manufactured by Defendants during the Class Period. This dog, named Cookie, subsequently developed symptoms of acute renal failure. In addition to the cost of purchasing the contaminated food, the Cohens incurred economic costs in connection with the medical treatment and damage to personal property caused by their dog's illness.

7. Defendant Menu Foods Limited is a Canadian corporation located at 8 Falconer Dr., Mississauga, ON , L5N 1B1. Menu Foods Limited has done business throughout the United States and in the State of New Jersey at all times relevant to this lawsuit.

8. Defendant Menu Foods Inc. is a New Jersey corporation, with its headquarters at 9130 Griffith Mogan Lane, Pennsauken, NJ 08110. Menu Foods Inc. has done business throughout the United States and in the State of New Jersey at all times relevant to this lawsuit. Menu Foods Inc. is a wholly-owned subsidiary of Menu Foods Limited and manufactures pet food for distribution in the United States.

9. Defendant Menu Foods Midwest Corporation is a Delaware corporation, with its headquarters at PO Box 1046, 1400 East Logan Ave., Emporia, KS 66801. Menu Foods Midwest Corporation has done business throughout the United States and in the State of New Jersey at all times relevant to this lawsuit. Menu Foods Midwest Corporation is a wholly-owned subsidiary of Menu Foods Limited and manufactures pet food for distribution in the United States.

10. The events complained of occurred throughout the United States and in the State of New Jersey.

JURISDICTION AND VENUE

11. This Court has original jurisdiction over this class action under 28 U.S.C. §1332(d)(2), (d) (5)(B), (d) (6) because (i) there are 100 or more class members, (ii) there is an aggregate amount in controversy of at least \$5,000,000, exclusive of interest and costs, and (iii) there is minimal diversity because at least one plaintiff and one defendant are citizens of different states.

12. Venue in this Court is proper in that Defendants transacted business in this county and the conduct complained of occurred in this district, as well as elsewhere in New Jersey.

STATEMENT OF FACTS

13. Defendant Menu Foods Limited purports to be the leading North American private label/contract manufacturer of wet pet food products sold by supermarket retailers, mass merchandisers, pet specialty retailers, and other retail and wholesale outlets. In 2006, Menu Foods Limited produced more than one billion containers of pet food.

14. Defendant Menu Foods Limited is the parent company of, and wholly-owns, both

Defendant Menu Foods, Inc. ("MFI"), located in Pennsauken, New Jersey, and Defendant Menu Foods Midwest Corporation ("MFMC"), located in Emporia, Kansas. MFI and MFMC are two of Menu Food Limited's manufacturing facilities in the United States.

15. At least from December 3, 2006 through March 6, 2007, Defendants failed to adhere to proper safety standards and failed to ensure that the pet food they manufactured and sold was free from contamination. More specifically, on March 16, 2007, the parent company of Menu Foods Limited issued a press release whereby it announced the recall of a portion of the dog and cat food manufactured between December 3, 2006 and March 6, 2007. The recall covers the "cuts and gravy" style pet foods in cans and pouches manufactured at two of Menu Food Limited's facilities - MFI located in Pennsauken, New Jersey and MFMC in Emporia, Kansas.

16. Reportedly, 60 million cans and pouches of the pet food were recalled.

17. The recalled pet food was sold under more than 90 brand names, including popular labels like Iams and Eukanuba and private label brands sold at large retail chains. A list of all brand names that were recalled is contained on the Company's website and is attached hereto as Addendum A. Retailers who sold the contaminated products include Ahold USA, Kroger Co., Safeway, Wal-Mart, Pet Smart, and Pet Value, among others.

18. Menu Foods Limited acknowledges receiving complaints in the United States which raised concern about pet food manufactured since early December 2006, and its impact on the renal health of the pets consuming the products. The Company has discovered that timing of the production associated with these complaints coincides with the introduction of an ingredient from a new supplier.

19. Stephen Sundlof, the Food and Drug Administration's (FDA) chief veterinarian,

said that Menu Foods began its own taste tests of its pet food beginning February 27, 2007 in approximately 40 to 50 pets. Within a few days, animals began showing signs of sickness. In early March 2007, 7 animals died. Menu Foods announced its recall weeks later, on March 16, 2007.

20. The FDA has reported that it received numerous calls and complaints from owners of sick and deceased pets, who flooded phone lines at State FDA offices, as well as calls from veterinarians and pet food companies. See Los Angeles Times, March 20, 2007.

21. To date, there are 15 confirmed death. The FDA expects the death toll to rise.

22. The FDA said that the investigation is focused on problems with wheat gluten, which Menu Foods Limited said had been coming from a new supplier. Wheat gluten is a source of protein and was used to thicken the gravy in the pet food.

23. Plaintiff Jared Workman owned a cat named Seth. During December 2006, Plaintiff Workman fed his cat Iams pet food, as well as other brand name cat foods which are now listed on the Company's recall list as contaminated products.

24. In December 2006, Plaintiff Workman noticed that his cat, Seth, was acting strangely. He was lethargic and eating less than usual. Plaintiff called his cat veterinarian, who came to the house to perform blood work. The vet reported that Seth was dying of kidney failure. Plaintiff Workman then took Seth to an animal hospital in Greeley, Colorado. After several days in the hospital, it became clear that Seth was most likely suffering from acute renal failure. After about one week in the hospital, and despite constant medical treatment, Seth died.

25. In addition to Plaintiff Workman suffering emotional distress from the loss of his cat, he spent approximately \$2,500 in veterinarian bills and burial costs, which was not covered

by insurance. In addition, Plaintiff Workman spend almost \$300 to have his other two cats tested, and will incur additional costs to have them continually monitored. In addition to these costs, Plaintiff Workman has not received any refunds for the cost of the contaminated pet food that he initially purchased. Finally, he estimates that it will cost him approximately \$1,000 to purchase a new cat.

26. Plaintiffs Mark and Mona Cohen own an 11 month old dog named Cookie that is a Yorkie-Bijain mix. Beginning January 2007, the Cohens' dog Cookie became violently ill with severe vomiting. The Cohens had been feeding Cookie Iams dog food.

27. In January and February 2007, Cookie's condition worsened and Cookie developed symptoms of kidney disease, including vomiting, lethargy, excessive thirst, loss of appetite and dehydration. The Cohens took Cookie to the veterinarian on four separate occasions, including a midnight visit on February 9, 2007 to a veterinarian emergency room which required an x-ray at an additional cost of \$300.

28. Although the Cohens' suspected that the Iams food might be involved in Cookie's condition, they were assured by their salesperson at PetSmart that this was unequivocally not the case and that Cookie should not be switched to a different dog food. The Cohens, however, insisted a switch be made, and purchased, at the recommendation of their PetSmart salesperson, a dog food under the brand name Nutro. Both Iams and Nutro were manufactured and recalled by Defendants.

29. Cookie is currently on an anti-nausea medication called Reglin and requires additional vetrinarian visits and monitoring of her kidney functions.

30. In addition to suffering emotional distress, the Cohens have incurred the costs of

medical bills not covered by their pet insurance, prescription medication bills, damage to their personal property including rugs and carpets caused by their's pet's illness, and the costs of future medical monitoring of their dog.

31. As a result of Defendants' wrongful actions, Plaintiffs and Class members have sick or deceased pets, and have suffered economic damages, including, but not limited to, the costs of the recalled pet food, the costs of medical treatment for their pets, burial costs, the costs to replace their pets, and the costs to replace or clean personal property damaged as a result of their pets' illnesses.

32. In addition, their pets will require continuous medical monitoring to gauge the long-term effects of the contaminated pet food on their kidney functions and overall health. Therefore, because the precise impact on the health of class members' pets is not currently known, Plaintiffs and the Class seek the cost of medical monitoring for their pets.

CLASS ACTION ALLEGATIONS

33. Plaintiffs bring this action on their own behalf and on behalf of all other persons similarly situated.

34. The class which Plaintiffs seek to represent are composed of all persons in the United States who purchased any of the pet food brands manufactured by Defendants during the period commencing December 3, 2006, and ending March 6, 2007 (the "Class Period") that were recalled by Defendants.

35. The class is composed of thousands, and possibly millions, of persons, the joinder of whom is not practicable. The disposition of their claims in a class action will benefit both the parties and the Court. Defendants have recalled 60 million cans of pet food that it sold

throughout the United States during the Class Period, and thus the Class is sufficiently numerous to make joinder impracticable, if not impossible.

36. There are questions of fact and law which are common to all members of the class, including, inter alia, the following:

1. Whether Defendants breached any express or implied warranties when they manufactured and sold the recalled pet food;
2. Whether Defendants' negligently manufactured and sold the recalled pet food; and
3. Whether the Class has been damaged, and if so, the appropriate measure of damages including the nature of the equitable relief to which the class is entitled.

37. The above common issues of fact and law predominate over any arguable individualized issues.

38. Plaintiffs' claims are typical of the claims of the other members of the class because Plaintiffs' and all of the Class members' damages arise from and were caused by having purchased and fed the recalled pet food to their pets. As a result, the evidence and the legal theories regarding Defendants' alleged wrongful conduct are identical for Plaintiffs and all of the Class members.

39. Plaintiffs will fairly and adequately protect the interests of the members of the Class, and Plaintiffs have no interests which are contrary to or in conflict with those of the Class they seek to represent. Plaintiffs have retained competent counsel experienced in class action litigation to further ensure such protection and to prosecute this action vigorously.

40. The prosecution of separate actions by individual members of the class would create a risk of inconsistent or varying adjudications with respect to individual members of the

class, which would establish incompatible standards of conduct for the party opposing the class and would lead to repetitious trials of the numerous common questions of facts and law.

Plaintiffs do not believe that any difficulty will be encountered in the management of this litigation that would preclude its maintenance as a class action. Plaintiffs believe and therefore aver that claims are small in relation to the costs of an individual suit, and a class action is the only proceeding pursuant to which Class members can, as a practical matter, recover. As a result a class action is superior to other available methods for the fair and efficient adjudication of this controversy.

41. Proper and sufficient notice of this action may be provided to the Class members through notice published in appropriate publications.

42. Plaintiffs and the members of the Class have suffered irreparable harm and damages as a result of the Defendants' wrongful conduct as alleged herein. Absent representative action, Plaintiffs and the members of the Class will continue to suffer losses, thereby allowing these violations of law to proceed without remedy.

COUNT I - BREACH OF EXPRESS WARRANTY

43. Plaintiffs incorporate by reference the preceding paragraphs as if they were fully set forth herein.

44. Defendants expressly warranted that the recalled brands of pet food were, in fact, ingestible food that was safe for consumption by dogs and cats.

45. In addition, Defendants made numerous express warranties about the quality of its food and its manufacturing facilities. For example, Menu Foods touts the claim that it "manufacture[s] the private-label wet pet-food industry's most comprehensive product program

with the highest standards of quality” and it operates “state-of-the-art” manufacturing facilities in the United States and Canada.

46. Members of the Class were induced by Defendants’ labeling, advertising and marketing the recalled brands of pet food as “food” to rely upon said express warranty, and did so rely in purchasing the recalled brands of pet food and feeding them to their pets.

47. In reliance on Defendants’ untrue warranties, Plaintiffs and the Class purchased the recalled pet food and fed that food to their pets.

48. Plaintiffs and members of the Class sustained damages as a proximate result of said breach of warranty.

COUNT II - BREACH OF IMPLIED WARRANTY OF MERCHANTABILITY

49. Plaintiffs incorporate by reference the preceding paragraphs as if they were fully set forth herein.

50. Defendants are merchants pursuant to sections 2-104 and 2-314 of the Uniform Commercial Code with respect to pet foods.

51. Through Defendants’ marketing, labeling, and sales, Defendants impliedly warranted that the recalled pet food, which was sold to Plaintiffs and Class members and fed to their pets, was fit for the ordinary purpose for which it was intended, namely, to safely feed and nourish pets without any resulting negative health effects, pursuant to section 2-314 of the Uniform Commercial Code.

52. Through Defendants' marketing, labeling, and sales, Defendants knew that Plaintiffs and Class members would purchase the recalled pet food at issue for the ordinary purpose of feeding their pets.

53. Defendants manufactured, labeled, advertised, sold, and distributed the recalled pet foods at issue for the ordinary purpose for which it was purchased by Plaintiffs.

54. Plaintiffs and Class members purchased and used the recalled pet foods for the ordinary purposes for which such goods are sold, namely feeding them to their pets.

55. Plaintiffs and Class members relied upon Defendants' representations and claims in purchasing the recalled pet foods.

56. The recalled pet foods purchased by Plaintiffs and Class members were unfit for their ordinary purpose when sold. In fact, such pet foods were contaminated and caused severe illness and/or death of the pets that consumed them. Therefore, Defendants breached the implied warranty of merchantability in the sale of the recalled pet foods at issue.

57. Plaintiffs and members of the Class sustained damages as a proximate result of said breach of warranty.

COUNT III - NEGLIGENCE

58. Plaintiffs incorporate by reference the preceding paragraphs as if they were fully set forth herein.

59. Defendants owed a duty to pet owners who purchased its products to ensure that their pet food was safe for pets to consume and free from contamination, such that no pets consuming these products would be injured or die as a result of such consumption.

60. Defendants breached said duty as described herein above when they failed to

adhere to proper safety standards and failed to properly ensure the safety of their products when they sold contaminated pet food, proximately causing damage to Plaintiffs and members of the Class.

61. As a proximate result of the Defendants' conduct described herein, Plaintiffs and members of the Class have suffered damages as a result and continue to suffer damages as a result.

JURY DEMAND

Plaintiffs hereby request a trial by jury on all issues triable by right before a jury.

PRAYER FOR RELIEF

THEREFORE, Plaintiffs pray for judgment as follows:

1. That this Court certify this action as a Class action pursuant to Federal Rule of Civil Procedure 23(a) and (b)(3), and appoint Plaintiffs and their counsel to represent the Class;
2. That this Court enter judgment and award damages in favor of Plaintiffs and the Class, and against Defendants under the theories alleged herein;
3. That this Court establish a fund for the medical monitoring of Plaintiffs' pets to discover and treat the extent of kidney damage these pets have suffered as a result of consuming Defendants' recalled pet food;
4. That this Court award Plaintiffs all attorneys' fees, expenses and costs of this suit;
5. That this Court award Plaintiffs pre-judgment and post-judgment interest at the maximum rate allowable by law, compounded daily; and

6. That this Court grant such other, further, and different relief that the Court deems necessary, just, and proper.

UNITED STATES DISTRICT COURT
DISTRICT OF CONNECTICUT

Lauri A. Osborne, Individually and On Behalf)
of All Others Similarly Situated,)

Plaintiff,)

vs.)

MENU FOODS, INC.)

Defendant.)

No. 5076-469 (RNC)

307CV00469
CLASS ACTION

RNC

DEMAND FOR JURY TRIAL

CLASS ACTION COMPLAINT

Plaintiff Lauri A. Osborne brings this class action complaint against Menu Foods, Inc. ("Menu Foods") to seek redress for herself and other individuals injured by its sale of contaminated pet food throughout the United States.

NATURE OF THE CASE

1. Menu Foods, one of the largest pet food manufacturers in the world, recently issued a mass recall of 42 brands of cat food and 51 brands of dog food.
2. That recall was issued belatedly as a result of evidence that the pet food in question was contaminated with a potentially lethal agent.
3. When ingested by an animal, the contaminated pet food can cause immediate renal failure, resulting in complete shutdown of the animal's kidneys and, ultimately its death.
4. Menu Foods' actions in selling the contaminated food and failing to issue the recall sooner were reckless and in breach of its duties and warranties to its customers.

5. Those actions were a proximate cause of injury to and the deaths of currently untold numbers of pets, including plaintiff Lauri A. Osborne's cats, as described more fully below.

6. On behalf of a nationwide class, Lauri A. Osborne seeks redress for that misconduct.

PARTIES

7. Plaintiff Lauri A. Osborne is a citizen of Connecticut, residing in Terryville, Litchfield County, CT.

8. Defendant Menu Foods is the self-proclaimed "leading manufacturer of private-label wet pet food in North America." It is a New Jersey Corporation with its principal place of business in New Jersey. It does business throughout the United States and throughout Connecticut. It also has offices in Ontario, Canada.

JURISDICTION

9. The Court has original jurisdiction over this complaint pursuant to 28 U.S.C. § 1332 (a) because (a) plaintiff and numerous members of her putative class are citizens of states different from those of which Menu Foods is a citizen; (b) the amount in controversy exceeds \$75,000, exclusive of interests and costs; and (c) none of the jurisdictional exceptions contained in 28 U.S.C. § 1332 (d)(4)-(5) applies to the instant action.

VENUE

10. Venue is proper in this District pursuant to 28 U.S.C. § 1391(b) and (c). The Defendant transacts business in this District, and many of the acts constituting the violations of law alleged herein occurred in this District.

FACTS

11. Menu Foods holds itself out to the public as a manufacturer of safe, nutritious, and high-quality dog and cat food.

12. It makes numerous express warranties about the quality of its food and its manufacturing facilities.

13. For example, Menu Foods touts the claim that it “manufacture[s] the private label, wet pet-food industry’s most comprehensive product program with the highest standards of quality” and it operates “state-of-the-art” manufacturing facilities in the United States and Canada.

14. Menu Foods intended for pet owners to believe its statements and trust that its pet food is of first-rate quality.

15. On or about March 16, 2007, Menu Foods announced a recall of approximately 42 brands “cuts and gravy” style dog food and 51 brands of “cuts and gravy” style cat food, all produced at Menu Foods’ facility in Emporia, Kansas, between December 3, 2006 and March 6, 2007.

16. Weeks before the recall, Menu Foods had received numerous complaints indicating that pet food originating from the Emporia plant was killing pets.

17. As a result of these complaints, Menu Foods tested its food on approximately 40 to 50 pets. Seven of those pets died after ingesting the food.

18. Despite having actual knowledge of both the complaints it received and its own study, Menu Foods delayed for weeks before issuing the notice of recall.

19. Even then, its recall was conducted in a negligent manner. For example, both its website and the toll-free number it provided to the public were frequently non-operational.

FACTS RELATING TO THE NAMED PLAINTIFF

20. On or about February 25, 2007 Plaintiff purchased a 24 can variety pack of IAMS adult cat food from a Walmart store for her thirteen year-old cat, Gizmo, her thirteen year-old cat, Ziggy, and her eleven year-old cat, Oreo.

21. Menu Foods is the manufacturer of IAMS adult cat food.

22. On or about March 4, 2007, shortly after ingesting Menu Food's cat food, Gizmo went into renal failure. Gizmo's kidneys shut down, and on March 5, 2007, she had to be put down.

23. Osborne incurred over \$1,200 in veterinary expenses relating to the attempts to save Gizmo's life and, in addition, to save her other cats. Specifically, another 13 year-old cat, Ziggy has been ill with problems since ingesting the same food, and Oreo, an 11 year-old cat owned by Osborne has also been sick.

24. Gizo had been with Osborne's family since 1994.

25. The loss of Gizmo and illness to her other pets has been devastating to Osborne.

CLASS ALLEGATIONS

26. Osborne brings this action, pursuant to FRCP 23(b)(3), on behalf of herself and a class (the "Class") consisting of herself and all others who purchased pet food in the United States that was ultimately subject to the March 16, 2007 Menu Foods recall.

27. Upon information and belief, there are over 100,000 members of the Class such that joinder of all members is impracticable.

28. Common questions of law and fact exist as to all members of the Class and predominate over questions affecting individual members. Common questions for the Class include:

(a) Did Menu Foods act negligently in failing to prevent contamination of its pet food?

(b) Did Menu Foods act negligently in failing to warn its customers in a timely and effective manner of the danger of its pet food?

(c) Did Menu Foods' breach express and/or implied warranties relating to the sale of its pet food?

29. Osborne will fairly and adequately protect the interests of the Class, her claims are typical of the claims of the members of the class, and she has retained counsel competent and experienced in class action litigation.

30. A Class action is superior to other available methods for fairly and efficiently adjudicating this controversy because, among other things, (a) joinder of all members of the class is impracticable, and (b) many members of the class cannot vindicate their rights by individual suits because their damages are small relative to the burden and expense of litigating individual actions.

COUNT I

(Breach of Warranties)

31. Plaintiff incorporates by reference the foregoing allegations.

32. Menu Foods breached express warranties to Plaintiff and violated the Uniform Commercial Code.

33. Menu Foods breached implied warranties to Plaintiff and violated the Uniform Commercial Code.

34. Menu Foods breached the implied warranty of merchantability.

35. As a proximate cause of this misconduct, plaintiff and her class suffered actual damages, including without limitation the cost of the contaminated pet food and resulting veterinary bills.

WHEREFORE, Plaintiff, on behalf of herself and the Class, prays for the following relief:

1. An order certifying the Class as defined above;
2. An award of actual damages;
3. Appropriate injunctive relief;
4. Medical monitoring damages;
5. Reasonable attorney's fees and costs; and
6. Such further and other relief the Court deems appropriate.

COUNT II

(Negligence)

36. Plaintiff incorporates by references the foregoing allegations.

37. Menu Foods owed its customers a duty to offer safe, non-contaminated products in the stream of commerce.

38. Menu Foods breached this duty by failing to exercise care in the producing, processing, manufacturing and offering for sale of the contaminated pet food described herein.

39. Menu Foods further breached this duty by failing timely and effectively to warn plaintiff and the class of contamination even after it had actual knowledge of that fact and of the resulting risks.

40. As a proximate cause thereof, plaintiff and her class suffered actual damages, including without limitation the cost of the contaminated pet food and any resulting veterinary bills.

WHEREFORE, Plaintiff, on behalf of herself and the Class, prays for the following relief:

1. An order certifying the Class defined above;
2. An award of actual damages;
3. Appropriate injunctive relief;
4. Medical monitoring damages;
5. Reasonable attorney's fees and costs; and
6. Such further and other relief the Court deems appropriate.
