vy Note Date: 10/3/2010 4:12:57 PM

Author: Iwinmill Subject: Sticky Note Date: 10/12/2010 10:43:37 AM Sustained as to para 5 to extent that it is offered to prove that the author intended to cross over. Overruled to extent that it is offered to prove that statements were being made to encourage others to cross over and support Schroeder.

Sustained as to para 7 to extent it is offered that there was a "likelihood" of cross over voting, but overruled to extent it is offered to show a reaction to the "threat of cross over voting" whether that threat was real or imagined.

Sustained as to para 14 to extent it suggests that cross over voting occurs.

Sustained as to para 6 as to best evidence, foundation and hearsay. If original can be obtained and authenticated, objection will be overruled since the statement is being offered not to prove the truth of the matter asserted, but to show that the statement was made in an effort to incite voters to take particular actions.

Sustained as to para 9 to extent it refers to source and effect of outside money. Speculation, unsupported opinion and hearsay.

Sustained as to para 10. Speculation, unsupported opinion and hearsay.

Sustained as to para 13. Not relevant.
