Case No. 1:17-CV-00167-CWD

ORDER OF REASSIGNMENT

This prisoner case was initially screened by the Magistrate Court, pursuant to the Court's then-standing general order assigning all prisoners cases to the Magistrate Court. *See* 28 U.S.C. § 1915. After screening, the United States Court of Appeals for the Ninth Circuit issued *Williams v. King*, 875 F.3d 500 (9th Cir. 2017), which held that the consent of all named parties is required before a Magistrate Judge can enter a screening order dismissing any parties or claims or any other order of finality. Because not all named parties had consented to the jurisdiction of a United States Magistrate Judge at the time of screening, **IT IS ORDERED** that the Clerk of Court shall reassign this case in its entirety to a United States District Judge for de novo review.
