

UNITED STATES DISTRICT COURT
DISTRICT OF IDAHO

THE LANDS COUNCIL,

Plaintiff,

vs.

FAYE KRUEGER, Acting Regional Forester of Region One of the U.S. Forest Service; MARY FARNSWORTH, Supervisor of the Idaho Panhandle National Forest; and UNITED STATES FOREST SERVICE, an agency of the U.S. Department of Agriculture;

Defendants.

Case No. CV 09-164-N-EJL-REB

ORDER ADOPTING REPORT & RECOMMENDATION

The United States Magistrate Judge issued a Report and Recommendation in this matter. (Dkt. 90.) Pursuant to 28 U.S.C. § 636(b)(1), the parties had fourteen days in which to file written objections to the Report and Recommendation. No objections were filed by the parties and the time for doing so has passed.

DISCUSSION

Pursuant to 28 U.S.C. § 636(b)(1)(C), this Court “may accept, reject, or modify, in whole or in part, the findings and recommendations made by the magistrate judge.”

Where the parties object to a report and recommendation, this Court “shall make a de novo determination of those portions of the report which objection is made.” *Id.* Where,

ORDER ADOPTING REPORT AND RECOMMENDATION - 1

however, no objections are filed the district court need not conduct a *de novo* review. In *United States v. Reyna-Tapia*, 328 F.3d 1114, 1121 (9th Cir. 2003), the court interpreted the requirements of 28 U.S.C. 636(b)(1)(C):

The statute [28 U.S.C. § 636(b)(1)(C)] makes it clear that the district judge must review the magistrate judge's findings and recommendations *de novo* if objection is made, but not otherwise. As the *Peretz* Court instructed, “to the extent *de novo* review is required to satisfy Article III concerns, it need not be exercised unless requested by the parties.” *Peretz*, 501 U.S. at 939 (internal citation omitted). Neither the Constitution nor the statute requires a district judge to review, *de novo*, findings and recommendations that the parties themselves accept as correct. *See Ciapponi*, 77 F.3d at 1251 (“Absent an objection or request for review by the defendant, the district court was not required to engage in any more formal review of the plea proceeding.”); *see also Peretz*, 501 U.S. at 937-39 (clarifying that *de novo* review not required for Article III purposes unless requested by the parties)

.....

See also Wang v. Masaitis, 416 F.3d 993, 1000 & n.13 (9th Cir. 2005). Furthermore, to the extent that no objections are made, arguments to the contrary are waived. *See Fed. R. Civ. P. 72*; 28 U.S.C. § 636(b)(1) (objections are waived if they are not filed within fourteen days of service of the Report and Recommendation). “When no timely objection is filed, the Court need only satisfy itself that there is no clear error on the face of the record in order to accept the recommendation.” Advisory Committee Notes to Fed. R. Civ. P. 72 (citing *Campbell v. United States Dist. Court*, 501 F.2d 196, 206 (9th Cir.1974)).

In this case, no objections were filed so the Court is not required to conduct a *de novo* determination of the Report and Recommendation. The Court has, however, reviewed the Report and Recommendation and the record in this matter and finds no clear error on the face of the record. Moreover, the Court finds the Report and Recommendation is well-founded in the law based on the facts of this particular case and this Court is in agreement with the same.

ORDER

NOW THEREFORE IT IS HEREBY ORDERED that the Report and Recommendation (Dkt. 90) shall be **INCORPORATED** by reference and **ADOPTED** in its entirety.

IT IS ORDERED the Forest Service's Motion to Lift Injunction Pursuant to FRCP 60(b) (Dkt. 80) is **GRANTED**.
