Dear Mr. & Mrs. Noll,

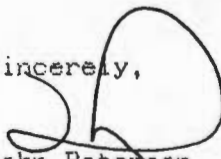

I received your request to apply monies received from the discharge of property to your 1988 liability. The money was split between your individual assessments.

The total received was \$16,277.05, of which \$8,138.52 was applied to Mr. Noll's 1976 liability. The balance of \$8,138.53 was applied to Mrs. Noll's 1980, 1981 and 1983 tax liability. Please see breakdown:

Form	Year		Amount Applied		
1040	1976	Husband	\$8,138.52		
1040	1980	Wife	2,522.58	Full	Paid
1040	1981	"	4,023.66	"	"
1040	1983	"	1,592.29		

In reviewing your file I noted you still need to file your Form 1040 for 1991 and 1992. Also, I need your financial statements and your plan of action to resolve your tax liabilities. Please contact me by September 19th to set up an interview. Based on my final demand letter if we do not come to an arrangement on your liabilities I will have no alternative but to proceed with enforced collection action.

Sincerely,

  
John Peterson  
Revenue Officer

Commissioner of Internal Revenue  
1111 Constitution Ave. N.W.  
Washington, D.C. 20224

Dear Sir,

The purpose of this letter is to present you with a demand for payment for reimbursement of money confiscated and damages that your agents for the Internal Revenue Service has inflicted upon me. If there are certain requirements to settle this in an administrative remedy, please inform me within 30 days of the complete procedure.

In 1988 your agents wanted me to file an income tax return based upon exercising a corporate privilege or wages as a Federal employee for 1987, 1986, and 1985. I told him I had not had any taxable income for those years and that is why I had not filed a return. He then demanded that I file tax returns for all years back to 1976. I told him that I had not had sufficient taxable income to place me under his jurisdiction for those years either. Apparently at that time he filed tax returns for me, swearing under oath that the information he had set upon the 1040 forms were true, correct, and complete as must be done to make any return valid. Although I have tried repeatedly to get a copy of the returns and the supporting information, it has not been sent to me. Agents said that I must go through the Freedom of Information Act to get the documents; agents at the Freedom of Information Act office said they were not required to divulge that information to me. Your agents placed Federal Tax Liens upon my real estate rentals and my home. They went to my renters and demanded that rents be turned over to them and said if they refused their social security payments would be garnished or their pay checks would be garnished. The legal term for this collection technique is extortion. My renters moved out and other people refused to rent because they feared the agents would cause them tremendous financial difficulty. By stopping my rental income the agents cause me to loose some of my property. Even though they have no Congressional authority to assess, levy, or seize under Title 26 Income Tax ( it is a voluntary tax ) they caused another of my properties to be sold at sheriff sale by claiming that the tax was based on Title 27 Alcohol, Tobacco, and Firearms Tax ( mandatory tax ). Your agents have destroyed my real estate business at a time when all the years of laborious preparation were in the beginning stages of exponential growth.

The statute of limitations for collection of these unlawfully placed tax liens has now expired. I want them released immediately. They have been released against my wife but I have not received a release on the ones against me. ( see copies enclosed.)

AFFIDAVIT

I, Clifford L. Noll, a sovereign citizen of the state of Idaho, do swear under penalty of law, that I did not receive wages as an

officer or employee of the United States or any political subdivision thereof, or receive wages as an officer of a corporation for the years from 1976 through 1989. I did not receive profit or gain from selling corporate stock or from corporate dividends during these same years. I was not involved in any regulated activities that were under the jurisdiction of Federal Excise Taxes during this same time period. I did not owe any Federal taxes for the years the liens state.
