States v Wigmore (1943, SD Cal) 48 F Supp 250, 43-1 USTC ¶ 9242, 30 AFTR 827, aff'd in part and rev'd in part on other grounds (CA9 Cal) 140 F2d 110, 44-1 USTC ¶ 9161, 32 AFTR 15.

Waiver cannot validly extend statute of limitations where, as result of Internal Revenue Service error, none of taxable periods in dispute are listed in waiver signed by taxpayer. United States v Grabescheid (1982, ND Ill) 82-1 USTC ¶ 9382.

IRS carries burden of proving statute of limitations has not run where it maintains duly executed

## INTERNAL REVENUE CODE

## PROCEDURE AND ADMINISTRATION

waiver extending statute which had been signed by taxpayer; where forms are missing and thereby cannot be produced, IRS can still carry its burden by secondary evidence that forms were properly executed; due to IRS irregularities in handling waiver, evidence submitted by taxpayers and IRS were in relative balance, therefore IRS failed to carry its burden of proving waiver was signed, no assessment of tax could be made against taxpayers for taxable year in issue. Peters v Commission (1978) TC Memo 1978-219, 37 TCM 941.

### § 6502. Collection after assessment.

(a) Length of period. Where the assessment of any tax imposed by this title has been made within the period of limitation properly applicable thereto, such tax may be collected by levy or by a proceeding in court, but only if the levy is made or the proceeding begun—

(1) within 10 years after the assessment of the tax, or

(2) prior to the expiration of any period for collection agreed upon in writing by the Secretary and the taxpayer before the expiration of such 10-year period (or, if there is a release of levy under section 6343 after such 10-year period, then before such release).

The period so agreed upon may be extended by subsequent agreements in writing made before the expiration of the period previously agreed upon. If a timely proceeding in court for the collection of a tax is commenced, the period during which such tax may be collected by levy shall be extended and shall not expire until the liability for the tax (or a judgment against the taxpayer arising from such liability) is satisfied or becomes unenforceable.

(b) Date when levy is considered made. The date on which a levy on property or rights to property is made shall be the date on which the notice of seizure provided in section 6335(a) is given.

## HISTORY; ANCILLARY LAWS AND DIRECTIVES

### Amendments:

In 1990, P.L. 101-508, Sec. 11317(a)(1), substituted '10 years' for '6 years' in para. (a)(1); Sec. 11317(a)(2), substituted '10-year period' for '6-year period' each place it appeared in para. (a)(2), effective as provided in Sec. 11317(c) of this Act which reads as follows:

"(1) taxes assessed after the date of the enactment [11/5/90] of this Act, and

"(2) taxes assessed on or before such date if the period specified in section 6502 of the Internal Revenue Code of 1986 (determined without regard to the amendments made by this subsection (a)) for collection of such taxes has not expired as of such date."

In 1989, P.L. 101-239, Sec. 7811(k)(2), substituted 'unenforceable' for 'enforceable' in the last sentence of subsec. (a), effective for levies issued after 11/10/88.

In 1988, P.L. 100-647, Sec. 1015(u)(1), amended the last sentence of subsec. (a), effective for levies issued after 11/10/88.

Prior to amendment, the last sentence of subsec. (a) read as follows:

"The period provided by this subsection during which a tax may be collected by levy shall not be extended or curtailed by reason of a judgment against the taxpayer."

In 1976, P.L. 94-455, Sec. 1906(b)(13)(A), substituted 'Secretary' for 'Secretary or his delegate' in Code Sec. 6502, effective 2/1/77.

In 1966, P.L. 89-719, Sec. 113, added the last sentence in subsec. (a), effective after 11/2/66, regardless of when a lien or a title of the U.S. arose or when the lien or interest of any other person was acquired. For a special exception included in Sec. 114 of P.L. 89-719 see the note to Code Sec. 6323.

Dear Mr. Noll:

This is in response to your correspondence dated May 9, 1996.

Income Tax Regulation 301.6203-1 states in part, "If the taxpayer requests a copy of the record of assessment, he shall be furnished a copy of the pertinent parts of the assessment which set forth the name of the taxpayer, the date of assessment, the character of the liability assessed, the taxable period, if applicable, and the amounts assessed." By law, we are not bound to provide you with any additional information under this regulation.

Enclosed are transcripts of your account for tax years 1976 through 1984 and 1988. The computerized transcripts comply with Internal Revenue Code (IRC) Section 6203. The transcripts set forth the name of the taxpayer, the date of the assessments, the character of the liability assessed, the taxable period, and the amounts assessed.

There are no documents that would be responsive to your request in item 2.

In response to item 3, your correspondence reflects an erroneous assumption regarding IRC 6065. IRC Section 6065 does not apply to documents purposed by the Internal Revenue Service. The legislative history of IRC 6065 makes it clear that the requirement of a verification under the penalties of perjury only applies to documents required to be made by taxpayers or other parties (e.g. return preparers) not to those prepared by the IRS. Therefore, there are no documents prepared pursuant to Internal Revenue Code Section 6065.

This completes all action on your request by this office.

Sincerely,

Joe Page  
Disclosure Specialist

Dear Sir:

This request pertains to supporting documents which you are required to have regarding a tax liability that is still pending. The years it pertains to are 1976, 1977, 1978, 1979, 1980, 1981, 1982, 1983, and 1984, which were assessed 11/10/88. Also the tax year 1988, assessed 05/08/89.

1). 26 CFR Sect. 6203 requires, "The assessment shall be made by recording the liability of the taxpayer in the office of the Secretary in accordance with the rules and regulations prescribed by the Secretary. Upon request of the taxpayer, the Secretary shall furnish the taxpayer a copy of the record of assessment". For this assessment to be valid it must specifically identify Clifford L. Noll, SS# 203-36-9997 as the taxpayer and the specific amount of the liability. Please send me a copy of this document.

2). Sect 6201-1 requires the district director and the director of the regional service center shall appoint one or more assessment officers. The assessment shall be made by the assessment officer signing the summary record of assessment. The assessment record through supporting records, shall provide; identification of the taxpayer (Clifford L. Noll SS# 203-36-9997), the character of the liability assessed ( wage tax for Federal employees and corporate officers, alcohol-tabacco-firearms excise tax, etc. Note; "1040" is not a kind of tax, it is a form from which many different kinds of taxes are assessed.), the taxable period ( 1976, 1977, 1978, 1979, 1980, 1981, 1982, 1983, and 1984. Also 1988) and the amount of the assessment ( \$125,916.80 for 76 through 84 and \$12,410.29 for 1988). The amount of the assessment shall, in the case of tax shown on the tax return of the taxpayer, be the amount so shown ( the supporting records required, for this assessment to be valid, are tax returns, signed under penalty of perjury, which shows \$18,002.06 for 1976, \$8,794.83 for 1977, \$16,764.91 for 1978, \$24,417.59 for 1979, \$5,102.41 for 1980, \$11,588.14 for 1981, \$11,256.06 for 1982, \$10,833.68 for 1983, and \$18,977.12 for 1984, Also \$12,410.29 for 1988. The reason that these supporting records must be verified by an assessment officer is to prevent rogue agents from using the mechanics of the agency to impose a personal vendetta upon any individual.). Please send me a copy of the assessment which contains this information and copies of the returns (supporting records) which show that the amounts correspond between the assessments and the returns and the valid signature of the person filing the return.

3). Sect. 6065 states "...<sup>if</sup> return(s), declaration(s),

...ement(s), and other document(s) required to be made under any provision of the internal revenue laws or regulations shall contain or be verified by a written declaration that is made under the penalties of perjury..." Please send me a copy of the assessment certificates for 11/10/88 and 05/08/89 which are signed under oath which pertain to me specifically.

I am aware that there are fees for copying and locating the above requested documents and I agree to pay them. NOTE! I have requested these records and documents before and was required to pay only to discover that the documents did not pertain to me and were not what was asked for. If that happens this time, the disclosure officer requiring money for documents which do not pertain to me by name and social security number will be named in a Federal Suit with other agents who are conspiring to deny me due process.

I understand the penalties provided under 5 USC 552a (i) (3) for requesting records under false pretenses. I certify that I am the individual making this request and that this is my signature and my social security number for documentation location purposes and the attached is a notarized statement of my legal endorsement.
