**ORDER (1) GRANTING PRELIMINARY APPROVAL OF PROPOSED SETTLEMENT AGREEMENT BETWEEN DIRECT PURCHASER PLAINTIFFS AND ALL DEFENDANTS  
(2) CERTIFYING THE SETTLEMENT CLASSES & APPOINTING SETTLEMENT CLASS COUNSEL AND EXECUTIVE COMMITTEE;  
AND  
(3) APPROVING THE NOTICE PLAN AND FORM OF NOTICE AND DIRECTING NOTICE TO THE CLASSES**

Based on the Court’s review of the proposed Settlement Agreement Between Direct Purchaser Plaintiffs (“DPPs”) and Defendants and DPP’ Motion for Preliminary Approval of the Settlement Agreement and supporting papers, the Court finds as follows:

**Preliminary Approval of Settlement Agreement**

1. The motion of Direct Purchaser Plaintiffs for preliminary approval of the proposed settlement with all Defendants, which Defendants do not oppose, is hereby GRANTED.

2. The Court finds that the proposed settlement, as set forth in the Settlement Agreement, subject to final determination following implementation of the plan for notice described below and a fairness hearing, falls within the range of possible approval and is sufficiently fair, reasonable and adequate to the Settlement Classes certified, as provided below, for settlement purposes only.

3. If they have not done so by the date of this Order, Defendants shall immediately serve upon the appropriate federal and state officials notice of the proposed Settlement Agreement and all other required papers and information in accordance with 28 U.S.C. § 1715. Defendants shall file with the Court Notice of Compliance with 28 U.S.C. § 1715 when all appropriate notices have been served.

**Certification of the Settlement Classes:**

4. The Court certifies for settlement purposes only the following Settlement Classes:

a. Direct Purchaser Plaintiff Monetary Relief Class:

All persons and entities who, between June 18, 2006 and the date on which the Court enters an order preliminarily approving the Settlement and certifying the Class for settlement purposes, directly purchased Fresh Potatoes grown in the United States, other than Specialty Potatoes, from:

(1) any Defendant or any parent, subsidiary or affiliate thereof; (2) any member of the cooperative members of United Potato Growers of America, or any parent, subsidiary or affiliate thereof and any member of the United Potato Growers of Idaho, Inc., or any parent, subsidiary, or affiliate thereof; and (3) any entity that packed or marketed fresh potatoes grown by any Defendant, by any member of United Potato Growers of Idaho, Inc., or by any member of the cooperative members of United Potato Growers of America.

b. Direct Purchaser Plaintiff Injunctive Relief Class

All persons and entities who, between June 18, 2006 and the date on which the Court enters an order preliminarily approving the Settlement and certifying the Class for settlement purposes, directly purchased Fresh Potatoes grown in the United States, other than Specialty Potatoes, from:

(1) any Defendant or any parent, subsidiary or affiliate thereof; (2) any member of the cooperative members of United Potato Growers of America, or any parent, subsidiary or affiliate thereof; and any member of the United Potato Growers of Idaho, Inc., or any parent, subsidiary, or affiliate thereof; and (3) any entity that packed or marketed fresh potatoes grown by any Defendant, by any member of United Potato Growers of Idaho, Inc., or by any member of the cooperative members of United Potato Growers of America, Inc.

- c. Excluded from these Classes are Defendants and their Co-Conspirators, including, but not limited to, any member of United Potato Growers of Idaho, Inc. and United II, the members of the United Potato Growers of America, Inc., and any member of the cooperative members of United Potato Growers of America, Inc., and their respective subsidiaries, affiliates and members; any entity that packed or marketed fresh potatoes grown by any Defendant, by any member of United Potato Growers of Idaho, Inc., any member of United II Potato Growers of Idaho, Inc., and by any member of the cooperative members of United Potato Growers of America, Inc., and their respective parents, subsidiaries, affiliates and members; and any governmental entities.

5. For purposes of settlement and on the basis of the entire record before the Court, the Court finds that the Settlement Class fully complies with the requirements of Federal Rule of Civil Procedure 23. Specifically, the Court finds: (1) the Settlement Class is so numerous that joinder of all members is impracticable; (2) there are questions of law or fact common to the Settlement Classes; (3) the claims or defenses of the representative parties are typical of the claims or defenses of the Settlement Classes; and (4) the representative parties will fairly and adequately protect the interests of the class. Additionally, for purposes of settlement, the Court finds that Federal Rule of Civil Procedure 23(b)(3) is also met and that there are questions of law or fact common to class members which predominate over any questions affecting only individual members, and that a class action is superior to other available methods for fairly and efficiently adjudicating the controversy.

6. The Court appoints the law firm Hausfeld LLP as Settlement Class Counsel, and appoints the following law firms as the Settlement Executive Committee:

- a. Bernstein Liebhard LLP, 10 East 40th Street | New York, NY 10016;
