Case No. 07-cv-1179

O P I N I O N and O R D E R

On February 12, 2010, Plaintiff submitted a memorandum [Doc. 95] in response to the Motion for Summary Judgment. The Memorandum appears to be incomplete in that a number of objections to Defendants' Statement of Material Facts and one of Plaintiffs' Statement of Material facts are fragment sentences.

Plaintiffs are ORDERED to refile a complete version of Section II of their Memorandum which includes undisputed material facts, disputed material facts, immaterial facts, and additional facts (of which only #14 appears to be incomplete). Because it appears that this is merely a typographical or filing error, Plaintiffs' supplemental filing is due by July 16, 2010.

Entered this 15th day of July, 2010
