Case No. 18-cv-1050-JES-JEH

ORDER AND OPINION

This matter is now before the Court on a January 29, 2019 Report and Recommendation [16] from Magistrate Judge Hawley. More than 14 days have elapsed since the filing of the Report and Recommendation, and no objections have been made. See 28 U.S.C. § 636(b)(1); Fed. R. Civ. P. 72(b); *Lockert v. Faulkner*, 843 F.2d 1015 (7th Cir. 1988); *Video Views, Inc. v. Studio 21, Ltd.*, 797 F.2d 538, 539 (7th Cir. 1986). As the parties have failed to raise timely objections, any such objections have been waived. *Id.*

The relevant procedural history has been sufficiently outlined in the comprehensive Report and Recommendation of the Magistrate Judge. Plaintiff claims the ALJ erred by failing to consider her testimony, her physicians’ records, her ability to sustain work on a regular, continuous basis rather than a sporadic basis, and the report of David Patsavas. The Court concurs with the Magistrate Judge’s detailed discussion and recommendation.

Accordingly, the Court now adopts the Report and Recommendation [16] of the Magistrate Judge in its entirety. Plaintiff's Motion for Summary Judgment [10] is DENIED, and Defendant's Motion for Summary Affirmance [14] is GRANTED.

This matter is now terminated.

Signed on this 14th day of February, 2019.
