CASE NO. 3:09-3295-JES-CHE

MOTION TO CLARIFY NOTICE IN THIS LAWSUIT

Plaintiff moves the Court to clarify the process for notice by the Court in this lawsuit:

1. In his initial complaint Plaintiff listed a New York address as his primary address. The Clerk of this Court ignored that designation. (A courtesy copy to Chicago is appreciated but not mandatory due to the excessive mail delivery problems which persist in Chicago.)

2. PACER reflects no action by this Court since December, 2009. How and why is action taking place that is not reflected on PACER?

Plaintiff would like some explanation so that he may receive timely notices and participate effectively in this lawsuit.

DATED: February 16, 2010

Respectfully submitted,

ANDY MARTIN
