The founder of this company has a background of child pornography and other heinous crimes. Some are so bad I don't want to mention them, must.

I will be back with more as I check on details. This is so serious, I will c the facts I have before posting.

Here is what I do have the facts on. He likes to claim to some he is a go Christian to gain the trust of those he will deceive. He flashes the "fish" around, which must be some sort of secret Christian signal.

Meanwhile, he offers drugs to junior high school children to get them to engage in sex with each other on tape. He has the tapes in his office. H he keeps the harddrive clean, but some of us have backed up the porn. just waiting for the police to show up and we will come forward.

There is some secret porn club of pedifiles at George S. May which inv the office directors. When they have district meetings they watch kiddie videos and smoke crack.

MEET GEORGE S. MAY

From his roots in rural Illinois, George S. May went from an e sales career to become the founder of the George S. I International Company. In addition to bringing que management consulting services to small- and medium-si businesses, he became a hero to the game of golf. We invite you learn more about our company's founder and his values.

George S. May was born on a farm in Windsor, Ill., on Jun 1890. Tilling the soil, however, held no attraction for the man v would become a management consulting pioneer. A graduating from college, George S. May began his sales ca selling bibles. Shortly thereafter, a friend, familiar with May's interest in mechanical technical issues, offered him a job with a farm equipment manufacturer.

During the next decade, George S. May had to cope with the fluctuating economy of early 1900s. He worked as a freelance consultant on a variety of short-term jobs, and later hired for full-time work, but was laid off when economic conditions slowed.

By 1924, with a wife and family to care for, George S. May sent out letters to Chic businesses, highlighting his knowledge and experience as a business problem solver. obtained a consulting assignment with Chicago Flexible Shaft Company, the precurs the Sunbeam Corporation, and with that first job, on February 1, 1925, the George S. I Company was born.

In addition to growing his own company, George S. May also contributed greatly to game of golf. Now listed as one of Golf magazine's 100 heroes of American golf, Georg May staged a number of professional golf tournaments at his country club, Tam Shanter, throughout the 1940s and 50s. May is still lauded as one of golf's nr preminent promoters.

George S. May died on March 12, 1962, at the age of 71. In an interview in the 194 George S. May noted: "I don't believe too much in looking back. If you've done v you're too inclined to become smug. If you've done poorly, you're inclined to becc discouraged. Keep looking ahead - yesterday's done with - think about today tomorrow."

Still adhering to this belief, the George S. May International Company continues to l to the future, for ourselves and for our clients.
